For children making their own way to from the programme please contact us prior to programme to complete the appropriate permission form.

Please ensure your child's profile is up to date including emergency contact information, authorized pick up / drop off, medication, any special conditions and/or behavior information.

If your child requires any special medications, these must be signed in and given to our programme staff. A medical form must be completed prior to the programme beginning and medication must be in its original packaging showing the child's name and medicine type. All children that have an ongoing medical condition (e.g. nut allergy / asthma) must provide the programme with a current Medical/Allergy Management Plan.

Children need to bring with them their morning tea, lunch, snacks, refillable drink bottle, sunhat and raincoat each day. Shoes MUST be worn on trip days.

If your child requires a specific sunscreen, soap or hand sanitizer, please label it with your child's name and send it along with your child each day.

We take due care with children's belongings but accept no responsibility for lost or misplaced items. Please name your children's belongings so any left behind items may be returned.
