On Thursday 29th February our **Rugby 9's League** boys participated in a round-robin tournament at Puketawhero Park. The boys played hard and showed great Lynmore Values and while there were no points or trophy at the end of the day, we won 3 of our four games. Our last game sadly was defaulted as our opposing school pulled out. Our huge thanks has to go to our coach Coach Bomm Tahuri who trained our boys each week and ran the boys on the day. Our thanks also to Matua Heke who transported us to and from the venue as well as helping with our Gazebo.

Kia ora koutou,

Well, I don't know about you but I am feeling the change of weather - particularly in the early mornings. This is the time where snuffly noses are prevalent so please use this as an opportunity to teach our tamariki on how to blow their nose, wash hands afterwards and sneeze into elbows. Thank you to our school PTA, we have tissues available in all classes.

School Gala - Thursday 4th April

We are bringing back the Lynmore School Gala and **we need your help.**

Donations of Non-Perishable food items

We have had lots of food items donated this week THANK YOU! We will keep accepting these right up to the Gala day. These donations will be made into hampers for our Quick fire - spin the wheel raffles that will be running throughout the night. If we can get a couple of items from every student we might be able to reach our goal. We are aiming to make 100 hampers.

We would also welcome donations of business vouchers for prizes in our Quick fire spin the wheel raffle. 1 hr Gardening, dinner vouchers, anything - will be much appreciated.

Food Stalls on the Night - International Cuisine

We will have hot chips, hot dogs, burgers, sausage sizzles and more available for sale on the night.

We would love to be able to have some International cuisine available too. We can buy ingredients but need that special cook to put it all together. Mild butter chicken & Rice, Pad Thai, Kebabs are a few ideas but we are open to suggestions. If you have any ideas and can help out - please email us on the address below or ring through to Maryanne in the office.

Volunteer helpers on the night - if you can help with the set up or help out on a stall on the night we will be very grateful. Please email your details to:

Biking on the Pathway - Iles Road & Larcy Road

If your children are biking on the footpath on Iles Road can you please talk to them about the Red and White Striped power poles at 16-18 and 24-28 Iles Road. These drive-ways have seriously restrictive views as cars pull out of them. It is challenging to see pedestrians but particularly at risk are young cyclists who are biking downhill to school in the morning and not looking into drives for cars.

Please ask her children to slow down - particularly when they see these.

FREE PARKING for Lynmore School Parents dropping off/picking up students

Such kindness... The **Lynmore Playcentre** situated only a few hundred metres from the Larcy Road entrance to Lynmore School, has kindly offered to help with the parking/congestion issue. The Lynmore Playcentre has around 13 parks outside their centre and 2 mobility parks as well. These normally sit empty for most of the day (the centre runs 9-12 Monday, Wednesday, and Fridays), and they ***would love to offer them as school parking (in addition) to Larcy Road, and there is plenty of room for turning around also.***

Please could you bring attention to your students about the red and white striped power poles at:

16-18 Iles road

24-28 Iles road

URGENT WARNING!

These driveways have seriously restrictive views as cars pull out of them. It is challenging to see pedestrians. Particularly at risk are young cyclists who are biking downhill to school in a morning and not looking into drives for cars. This morning, I was only walking out of the drive and nearly got taken out by a young cyclist not looking. Even if I had been crawling out of the driveway at the slowest speed in my car I predict there would have been a serious accident.

Living down this school access street we are very aware of this. However all it takes is a visitor, delivery person or repair person coming out of one of these drives who isn't so aware and an accident could occur.

MOKOIA ISLAND...

Doing our part....

Mokoia Island is home to many endangered birds including kokako, kiwi, weka, toutouwai (North Island robin) and tieke (saddleback).

The return of predators such as rats, mice and stoats could devastate the native bird and skink populations.

RUGBY 9s LEAGUE...

Well done to our Rugby 9's League boys who participated in a round-robin tournament at Puketawhero Park last week.

The boys played hard and showed great Lynmore values - we won 3 of our four games.

A big thank you to Whaea Andrea.

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
