Term 2 starts on...  
**MONDAY,**  
**29TH APRIL 2024**

**Wishing all our Lynmore School whanau a happy and safe school holiday break. Take care.**

*It has been a busy term, with lots of exciting things happening for our children! Thank you for your support.*

**Lynmore Gala – a very BIG thank you to everyone who supported this amazing school event.**

There are so many people to thank including our children and staff, BOT, PTA who gave of their time; the generosity of our parents and the Rotorua community for all the vouchers and other prizes; baking and items for the food hampers... the list goes on and on.

Please know it is very much appreciated and will be used for the benefit of our children.

We have had a lot of lovely comments on the lovely atmosphere and the gala organisation, stalls, events etc as a whole! A special thank you to our wonderful entertainer Renee (Parent) from the fabulous band "Two Mile Bay" who helped set the tone, and Mike Baird, More FM, for the Announcing, and hosting the Quick Fire Raffles!

**THANK YOU EVERYONE!**

# FROM THE PRINCIPAL

*Kia ora koutou,*

We have an amazing community. Thank you for your support with our Gala. We were overwhelmed with the generosity of our local businesses who gifted vouchers, our parents who gifted grocery items, food items for the gala, resources for our stalls, cakes on the day and much more. A huge thank you to our parent volunteers who manned our stalls. We were so busy that we couldn't get around to relieve some of you so you were there all night. We were also very grateful to St Mary's School for the use of their deep fryer and also to Westbrook School who shared their deep fryer, spin the wheel and candy floss with us. I love it when our schools come together for our local community.

## **School Gala - Celebration**

Our goal was to host a community event to:

- Bring our community together with an affordable, fun and festive event
- Work collaboratively with our community, our staff and our students
- Provide opportunities for our students to lead in authentic contexts
- Fundraise some \$\$ for our school to help with buying Shade Sails

We did all of the above and we couldn't have done it without you.

We haven't got all of the costs in yet but we think we raised a whopping **\$20,000** for the school shade sails. THANK YOU, THANK YOU, THANK YOU!

## **Perimeter Fencing**

Our fencing project has started this week. NZ Structures won the Ministry of Education tender for this project and they will be onsite for the next 6 weeks. They have started at the back of the school bordering Waitawa bush. During the school holidays they will be working on the fencing at the front of the school - Iles Road. If you live locally and access the playground during the term break, please closely supervise your children. Here is a sneak peak of what they have managed to do so far.

## **Anzac Memorial Service**

Our school has been invited to send a group of representatives to attend the Civic Memorial Service at the Sir Howard Morrison Centre, 1170 Fenton Street and will commence at 9.30am on the 25th April. We will take part in the Parade beforehand therefore we will assemble at 9.00am at the Te Arawa Soldiers Memorial, intersection of Oruawhata and Queens Drive, Government Gardens. We will also take the opportunity to lay a wreath during the Civic Service. If you will be there, we welcome you to join us in the march and service. Please bring your child in full school uniform.

## **Heads Up! Teacher Only Day (TOD) - 4th June**

The Ministry of Education granted primary and secondary schools 4 teacher only days in 2023 & 2024 to support the implementation of Te Mātaiaho (the refreshed NZ Curriculum). We are up to TOD number 3. Our school's TOD will be on Tuesday 4th June, the day after King's Birthday Public holiday. Please make alternative arrangements for your child.

## International Chinese Students - Short term travel programme

We are pleased to be working in partnership with Silver Fern Excellence Initiative (SFEI) to foster a cultural and educational exchange between Chinese and New Zealand students.

*"The SFEI short-term travel program endeavors to enhance cultural understanding between China and New Zealand, broaden the global perspectives of both Chinese and New Zealand students, and provide them with enriching experiences in New Zealand's diverse culture, natural beauty, and unique attractions. By partnering with Schools in Rotorua, we aim to offer an immersive program that will cultivate a lasting appreciation for New Zealand among Chinese students, encouraging them to consider further education opportunities in the country."*

Near the end of July our school will be hosting our first group of up to 30 students (appx 12 years old) from China for 9 nights and 1 week at our school.

### **Homestay Guidelines:**

- Each homestay can accommodate 1-4 students, with each bedroom accommodating 2 students of the same gender. Female students will not be placed in households with single male occupants. Homestays will provide three meals and transportation to and from school.
- Basic Accommodation Conditions: Each student will have an individual bed with clean bedding, a warm and clean living environment, free Wi-Fi access, and complimentary laundry facilities.
- Homestay families will be responsible for ensuring the safety of students during their stay.
- Catering to students' dietary needs, including preventing food allergies.
- Organize EOTC activities for students during their time at the school and ensure their safety.
- Homestay payment: \$60 per day per student
- Consent to a NZ Police Vet.

**At this stage we are looking for expressions of interest to be a Homestay whanau.** If you have the capability of hosting 1-4 homestay students please email me on: [homestay@lynmore.school.nz](mailto:homestay@lynmore.school.nz)

In late May I will be traveling to China with a NZ Principal's group to meet with our Sister School's who will be our partners in this project.

### **Happy Term 1 Holidays**

Thank you all for an amazing term 1. I look forward to seeing our tamariki back on Monday 29th April. Have a happy and safe holiday.

Ngā mihi nunui

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
