## LYNMORE SCHOOL CROSS COUNTRY IS TOMORROW, FRIDAY 24TH MAY

Please come dressed in your House T-Shirt, correct footwear,  
bring a water bottle and have FUN!

A big **Nihao from Whaea Hinei** who is currently in China. Check out what she has been up to in her Principal's report "hot off the press" from China.

Whaea Hinei has also sent us some lovely photos of her trip which I have scattered throughout the newsletter. She will be back at school on Monday.

### Last Friday, eight teams from the senior school competed in a Lynmore School final for EPro8...

The teams faced a series of challenges designed to earn them points. After an intense two and a half hours, the teams with the highest scores advanced to the next round of the competition. From constructing a stable frame for a puppet show to creating a functional reclining chair with a footrest, the students demonstrated their skills in both electrical and mechanical engineering. Each challenge required their builds to be fully operational to move forward. For many students, this was a new and exciting experience. We are incredibly proud of their problem-solving abilities and teamwork. **Best of luck to the two teams that will represent Lynmore School at the inter-school competition!**

## Nihao!

Many of you know that I am currently in China, and more specifically, in the bustling city of Yiwu. Located in Zhejiang Province, Yiwu is globally renowned as a vibrant commercial hub, particularly famous for its extensive wholesale markets.

Yiwu's history stretches back over 2,000 years to the Qin Dynasty. It has evolved significantly from its early days as a small county to become a central player in international trade. During the Tang and Song dynasties, Yiwu was a prosperous region known for its production of sugar and wine.

In the modern era, Yiwu has transformed into a key node in global commerce. The Yiwu International Trade Market, often referred to as the "World's Largest Small Commodity Market," is a testament to the city's entrepreneurial spirit. This market, covering an area of several million square meters, features thousands of vendors selling a vast array of products, from toys and textiles to electronics and jewelry. It attracts buyers from all corners of the world, cementing Yiwu's reputation as a global trade center.

Despite its commercial focus, Yiwu also cherishes its cultural heritage. The city hosts several historical sites, such as the Yiwu Museum, which showcases artifacts that highlight the region's rich past, and the Shuanglin Temple, a serene Buddhist temple with a history dating back over a thousand years.

Today I signed a Sister School agreement with Principal Mr Chong of Futian Primary School. They have just under 3000 students. Can you believe that? Here are a few of the photos from the Sister School signing forum and my afternoon visit to the school. Did you notice the big digital sign on the building? I didn't until I looked back at the photos.

**Zaijian (Goodbye)

## **Cross Country**

We are looking forward to running our school cross country event tomorrow after having to postpone it because of the bad weather on Tuesday. A huge thanks to Mrs Mac and Whaea Catherine for their amazing organisation with this event. We warmly invite you to join us to watch the races and look forward to seeing all our students try their best with this event.

## **EPRO 8**

Last Friday the Senior school held their EPRO 8 finals to select our Lynmore School representatives for 2024. Our teams will compete against other Rotorua Schools and if they place in the top 2 they will head onto the Regional competition. Congratulations to the students who were successful on the day and best of luck in the Rotorua Competition!

## **Larcy Road and parking**

A reminder to our Community to please observe the road rules around the school, particularly on wet days when there is considerable traffic around the school. We have had several near misses in the past few weeks and observed cars parking on yellow lines or across driveways, particularly in the vicinity of Larcy Road. We want to keep our tamariki safe as they make their way to and from school so really appreciate your help with this.

## **Reminder: Teacher Only Day (TOD) - 4th June**

The Ministry of Education granted primary and secondary schools 4 teacher only days in 2023 & 2024 to support the implementation of Te Mātaiaho (the refreshed NZ Curriculum). We are up to TOD number 3. Our school's TOD will be on Tuesday 4th June, the day after King's Birthday Public holiday. Please make alternative arrangements for your child.

## **International Chinese Students - Short term travel programme**

We now have 11 families who have put their hand up to host - we need a few more please. We are pleased to be working in partnership with Silver Fern Excellence Initiative (SFEI) to foster a cultural and educational exchange between Chinese and New Zealand students. "The SFEI short-term travel program endeavors to enhance cultural understanding between China and New Zealand, broaden the global perspectives of both Chinese and New Zealand students, and provide them with enriching experiences in New Zealand's diverse culture, natural beauty, and unique attractions. By partnering with Schools in Rotorua, we aim to offer an immersive program that will cultivate a lasting appreciation for New Zealand among Chinese students, encouraging them to consider further education opportunities in the country." Near the end of July our school will be hosting our first group of up to 30 students (appx 12 years old) from China for 9 nights, 8 days and 5 of these days the children will be attending our school. Thank you to those of you who have responded to this request.

Homestay Guidelines:

- Each homestay can accommodate 1-4 students, with each bedroom accommodating 2 students of the same gender. Female students will not be placed in households with single male occupants. Homestays will provide three meals and transportation to and from school.
- Basic Accommodation Conditions: Each student will have an individual bed with clean bedding, a warm and clean living environment, free Wi-Fi access, and complimentary laundry facilities.

# FROM THE PRINCIPAL

- Homestay families will be responsible for ensuring the safety of students during their stay.
- Catering to students' dietary needs, including preventing food allergies. · Organize EOTC activities for students during their time at the school and ensure their safety.
- Homestay payment: \$60 per day per student · Consent to a NZ Police Vet. At this stage we are looking for expressions of interest to be a Homestay whanau.

If you have the capability of hosting 1-4 homestay students please email me on:  
homestay@lynmore.school.nz.

# WAITAWA BUSH UPDATE...

【From Waitawa Bush】  
~Wooddeck project~

For our new learning and play space for tamariki in Waitawa Bush, we are constructing a wooden deck. We are recycling the timber from the former school fence.

Thank you to Helen Creagh for all the support always to take good care of the bush. 6m beams and pavers are funded from Bay of Plenty regional council.

- \* If there are sleeping hammers in your garage that you can donate to school I am glad to use them with tamariki. Please let me know.
- \* I'm also looking for the people who can tell the history of Waitawa bush to tamariki. (There are some tamariki who are attending Science Fair next July.)

Yosuke Hase (Specialist and Agriculture Learning Assistant)

**If you have a hammer that you wish to donate - please leave at the school office - many thanks!**

# BOT REPORT...

## BOARD OF TRUSTEES PĀNUI/NOTICE

Kia ora e te whānau, and a special shout out to all our māmās, and those who play that important mother role for our tamariki.

The #TeamLynmore Board met on Monday night and we wanted to update you on some of the things going on around our kura/school. Firstly, on the property front. With a big school like ours, there is a lot of regular maintenance. On top of that we have some building projects, some started and some on the horizon. The first, one you'll be seeing every day when you drop off your children/tamariki, is the fencing project. With a big site and many custom gates required, it's a big job so delays are to be expected. But once it's completed it will make our school a much safer space. It does also provide an opportunity to think about our roadside presence and how to celebrate our space and what identifies us as a primary school in Aotearoa. So rest assured, if you were privately thinking the gates looked a bit prison-like, we're with you. Safety first, aesthetics later!

With some of our older buildings, leaks are becoming an issue. Which is why we have approved and hope to soon start some remedial work on the administration block. The leaks in the roof need some urgent repairs so that the face of our school/kura and the amazing people that work there can be safe and healthy. Speaking of leaks, our gym roof has been an ongoing issue. The repair work is challenging, made more so for us as we share ownership with the Ministry of Education, so any work needs to have agreement from them and requires a large investment from us. Luckily money has been saved over the last few years, started by the previous Board who wisely knew this issue was going to be expensive. We have pledged \$542,000 as our contribution to the remedial work, with the Ministry paying the rest. This job has now gone out to tender. We understand this is a lot of money, and we'd rather spend it on other areas around the school. Unfortunately if we don't make the repairs soon we may end up losing this vital learning space. After the tender process is completed we'll share with you what it will all mean and how the space will be enhanced as part of the remediation. As always, we welcome feedback and support from anyone in our community who has expertise in these areas.

# BOT REPORT...

## BOARD OF TRUSTEES PANUI CONTINUED

We are also working on getting grants for some shade sails to protect our tamariki playing outside in the summer months. We've been successful in a number of bids and still have some we haven't heard back from. We're hoping to be able to afford plan A, which is a number of sails across the school/kura. Once we have the funds secured we can share some of the exciting plans that Hinei and the SLT have designed and order them in time for term 4. Thanks always to Kerrie for her amazing mahi/work behind the scenes with all the paperwork needed to apply for these grants.

Lastly on property, you'll see that although there are parts of the school under fencing construction, the play spaces and gardens are looking amazing. The pool is also continuing to be well maintained, clean and warm. Our school would not be the same safe inviting space without the efforts of our caretaker team Heke and Tony, ngā mihi korua, thank you both for your efforts.

This month we also discussed the exciting opportunities for both Hinei and Lynmore School that have come out of her trip to China. This opportunity came about because Hinei has built some great relationships with other Principals. We are so happy she will be able to showcase her leadership skills and enhance international relationships. It also means an amazing cultural experience for our children/tamariki and some much needed funds for our school. We wish her all the best for her whirlwind trip. Haere tū, hoki tū, travel safe and return to good health!

This month we had some amazing reports from our staff about what's going on in and outside the classrooms/akomanga. We were so happy to hear all the positive experiences from the noho marae visits. These opportunities to connect with our local hapū, Te Roro o Te Rangī, and for our children/tamariki to experience tikanga/Māori customs, are so important and link back to our strategic goals for our school/kura. Thank you to all our amazing kaiako/teachers and kaiawhina/ support staff as well as our incredible Senior Leadership Team, especially Lisa Hohepa, for all the mahi/work that went into that incredible week.

# BOT REPORT...

## BOARD OF TRUSTEES PANUI CONTINUED

Another awesome report covered was on Literacy across the school. One of our Board objectives is making sure all our tamariki achieve their highest possible education standard. We know an hour of reading, writing and maths is a buzz topic for our new government, but it's something our staff have already been really great at. These reports help us to support the work around the school and give us depth when assessing the student achievement reports that we look at twice a year. Did you know that our kaiako/teachers are using a number of tools to support literacy development across all ages? We have specialised staff to support authorship, reading recovery, English language learners and structured literacy. A big shout out to Verity, Sian, Wendy, Stacey and Sarah who are doing an amazing job to support our children/tamariki at all levels. Our staff know they need a number of tools in their kete/kit and need to be flexible to address the needs of the child/tamaiti in front of them. We will continue to support our staff with ongoing training in the areas that are proven to assist literacy success with our children/tamariki.

Our next hui/meeting is on the 17th of June at 6pm in the SLT office. As always, you are welcome to attend, please just notify Kerrie at [admin@lynmore.school.nz](mailto:admin@lynmore.school.nz). All our minutes are located in Kerrie's office and you are welcome to contact us via email [bot@lynmore.school.nz](mailto:bot@lynmore.school.nz) or anonymously via the box in the office.

Have a safe and happy month.

## Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
