FROM THE PRINCIPAL

Tena koutou katoa,

I hope you have all had an amazing week. Our kids have been super busy with Chess Regionals and Showquest on Monday, Sport BOP Cross Country on Tuesday, St John Safety education for our Year 1's on Wednesday, Museum trip for a couple of our Y3 & 4 classes today and tomorrow we have the Mokoia Intermediate student council coming to visit us, pizza lunch and a community performance by Hinemoa 2. Never a dull moment.

Larcy Road Entrance - tomorrow Friday 14th June

Please note the Larcy Rd entrance will be closed tomorrow morning as our contractors are working on the entrance gate and nearby fencing. We expect it to be open by lunchtime tomorrow. Please continue walking to the Iles Road entrance at the front of the school. At this stage it is only a one off, so I am sure it won't cause too much inconvenience.

Showquest 2024

Just wow! We had 103 students involved in our showquest performance on Monday. Thank you to all of the parent volunteers who worked on costume, props, makeup, transport and supervision on the day. Thank you to Mr Ben Kidd for pulling the performance together with our kids over the past few months. Also a huge thank you to Karen Belt, Lisa Hohepa and Michael Cunliffe for stepping in during the last week to ensure the logistics, health & safety, supervision and communication was in place to ensure the event ran smoothly.

Our kids - your kids were amazing. Although the day was long - hey, the life of a movie star - they owned it like a boss! Every child stepped up, went out of their comfort zone and they knew exactly what they were required to do. They were our Super Stars.

Apart from having a whole lot of fun, our kids managed to win 3 prizes - "Best Theme", "Best Props" & the greatest award of all "Best Team Spirit". Congratulations!

CBOP Cross Country

Thank you to Mrs Mac and Mrs Donovan for organising our group of representatives to get to the Cross Country event on Tuesday. I know we had lots of Showquest kiddies who were also involved in this event. Congratulations to you all.

Chess

We also had a group of 20+ students compete in a Regional Chess competition at St Mary's School on Monday. Congratulations to you all and a huge thank you the Mrs Hayley Bowen who made this event available for you.

Waitawa Bush

If you have been into our Waitawa Bush lately you will see the improvements that have been made. We are so lucky to have an amazing outdoor learning environment like this right next to our school premises.

We need your help - if you see any one vandalising our bush, please speak up and ask them not to and then let us know. On one occasion I spotted two older High School students here outside of school hours and sadly they were throwing our big rocks in the stream. We had just got these delivered in and set to keep the bank up. Our kids, your kids love learning in the bush.

Have a great weekend.

2024 SHOW QUEST

Kia Ora

I just wanted to drop you a quick note to say well done on the performance at Showquest last night.

The performance was excellent. I'm writing though because the message was so moving. It really breathed manaakitanga and it was evident the children understood that. Your children's performance was so worth coming out to see. Well done for making the commitment to participate and well done on the beauty that shone out of your children's message.

CONGRATULATIONS TO OUR CHESS TEAM

Courage, concentration, commitment and the odd 'Check mate' are words to describe our recent regional chess experience at St Mary's School on Monday.

We had twenty five enthusiastic chess players representing Lynmore School including 12 rookies (first timers at a chess tournament) and 13 in the junior category (Y1-Y6). They all did exceptionally well with each participant playing 7 fierce games all against other schools.

Our six top point scorers of the day received a medal in recognition of their efforts; Moaka and Makaere (5 points), Archie, Spencer, Jaden, George (4 points). As a result of this success, Lynmore School has qualified 5 players for a team at the Nationals to be held in Wellington in October. Maoka did exceptionally well winning the junior girls division. This also qualifies her to the Champions Trophy (individual Nationals competition).

5TH PLACE**

EPro8 Regional Competition

On Thursday the 6th of June, 8 lucky students from Kupe 6 and Hinemoa 6 got the chance to compete in the 2024 EPro8 Regional heats event at Rotorua Intermediate School. We had two teams, The Unstoppables and I.D.K. These two teams had a choice of 4 challenges to choose from and build; they were a roller coaster, a scooter, a washing machine or air conditioning.

The Unstoppables built the roller coaster and were minutes away from finishing it when the buzzer went. I.D.K built a scooter that you could actually ride after changing from the Air Conditioning challenge part way through the heat. There were a lot of electronics as well, that we had to wire up. For example, The Unstoppables had an elevator on their roller coaster, lifting the wooden ball to the top, and then a limit switch at the top which detected when the elevator got to the top and it signaled to a ram to push it onto the track. Overall the event was lots of fun! I.D.K came fifth, one place off the semifinals and The Unstoppables came first and have qualified for the Bay of Plenty semifinals.

Congratulations to Archie, Yena, Micah, Freddie, Jonty, Emma, Reuben and Ollie who all successfully represented Lynmore School with amazing attitudes and wonderful pride!

Brown Shopping Bags FUNDRAISER

Can you please help!

Yes, we are still collecting them! This is a school fundraiser and we appreciate your ongoing support. One of our local businesses is after as many brown shopping bags as we can supply and pays us per bag! The bags must be clean, nicely folded "shopping online" brown bags. Thank you! **Please bring them to the office! Thank you so much.**

A big thank you to everybody that already does bring them in - you are amazing.

Do you have any younger siblings that are about to start school? If you have any younger brothers or sisters that will be starting at Lynmore School this year, please pop into the office to pick up an enrolment form or email karen.belt@lynmore.school.nz so we can add them to our future enrolment list. We really appreciate having enrolments completed at least a term in advance. For any queries, please pop into the office and see Mary-Anne.

Library Stocktake - can you help?

We are currently doing a stocktake of the library. The library will remain open during this process but we are looking for some helpers with the stocktake. It involves scanning barcodes of books in the library - no heavy lifting and very easy to do.

If you are able to spare an hour or two to help over the next couple of weeks (any time or day), please contact Karen Belt (karen.belt@lynmore.school.nz) or give Mary-Anne a call.

5 top tips for clean hands:

1. Wash your hands before you eat.
2. Wash your hands with lots of soap and water.
3. Wash your hands after you've been to the toilet.
4. Keep your fingernails clean and short.
5. Wash your hands after playing outside.

ATTENDANCE INFORMATION:

Fact: If a student misses 20 days of school every year, by the end of Year 12 they will have missed more than a years' worth of schooling!

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
