LYNMORE SCHOOL VISION STATEMENT

We strive to inspire a lifelong passion for learning. Our approach is rooted in championing teaching excellence and providing a diverse range of learning opportunities in an engaging environment.

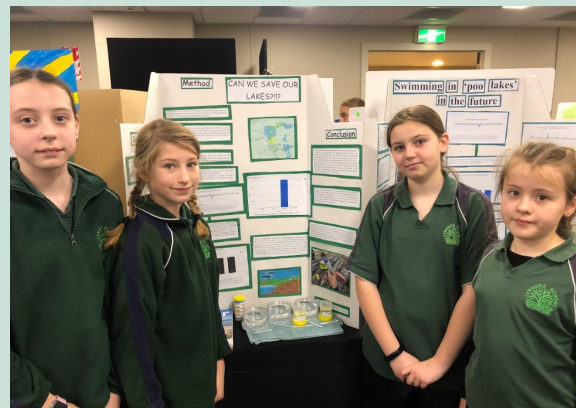

Drawing on meaningful connections to our hauora, whenua, iwi, hapū and whānau, we empower our students to become compassionate and well-rounded individuals.

This lovely photo shows our Principal Whaea Hinei, with other members of staff, and their families, supporting Thursday night's Aronui Indigenous Arts Festival Matariki drone show held at the Rotorua Lakefront. *Very special event!*

FROM THE PRINCIPAL ...

Tena koutou katoa,

I hope you have had a fantastic week - we certainly have. Did you make it to the Light Show last week? I managed to make it down to the lake front to view the Matariki light show last Thursday evening. I felt the festive vibe in the air with all of the markets open and lots of people milling around. We were so lucky to have this show in our neck of the woods.

Personal Education Plan hui

Thank you to all parents who made the time to come into school and work in partnership with us to evaluate and celebrate where your child is at with their learning and formulate some goals moving forward. These hui are a great way to keep up to date with what your child is learning and engaging with at school, be involved in their education and show them that their education is important.

If you didn't make it this time, please contact your child's teacher for a hui time early next term.

Our Lynmore School representatives

Congratulations to our 6 Science Fair groups who entered this year's Te Tūkōhu Ngāwhā Science and Design Fair that aims to encourage rangatahi (young people) to blend mātauranga Māori (traditional Māori knowledge) with Western science to tackle environmental issues. It is organised by Te Arawa Lakes Trust and was open to all schools in Rotorua.

A little birdie told me that we managed to win a few prizes but I will leave that there because Prizegiving is tonight at the Sudima at 6pm. I have another commitment but I will try to make it down before you all leave.

Thank you to Mr Cunliffe, Yosuke and Whaea Andrea for supporting our children with their projects.

School Uniform

This is a quick heads up - Our current Uniform contract with NZ Uniforms is due to end next year. Ideally we are looking for a uniform that not only looks smart, is comfortable for our kids and is cost effective. We will begin consultation next term with possible school uniform suppliers and keep you all updated as we progress discussions.

I hope you enjoy your holidays with your children.

Have a great weekend.

Te Tūkohu Ngāwhā Science Fair

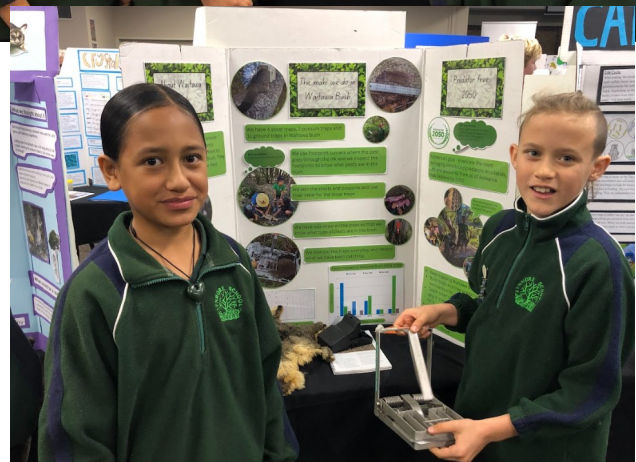

A selection of students from Lynmore went to the Te Tūkohu Ngāwhā Science Fair run by Te Arawa Lakes' Trust this week. As judges viewed our science project boards, we had to answer a number of questions and summarise our science projects. There were different categories of science boards, including Water Quality, Biosecurity, Technology and Engineering. The projects that were on display were fascinating to look at, and it was interesting to see what other schools had been doing. It provided us a lot of ideas and food for thought for our future science projects.

Well done to all of the Lynmore students that gave this a go, you all did a great job and represented Lynmore School extremely well.

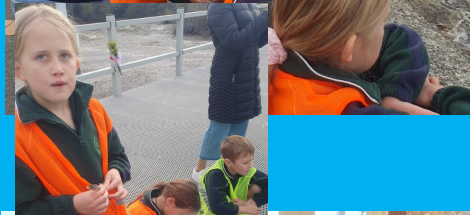

Ngā mihi,
Jack

WELL DONE EVERYONE!

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
