COMMUNITY TOMORROW IS AT 11.35AM

FROM THE PRINCIPAL ...

Tena koutou katoa,

This term has started with a rush and it is already nearly the end of week 3!

Visit from the Minister of Education - Hon. Erica Stanford

You may have seen earlier in the newsletter that Community is at the earlier time of 11:35 am this week. This is to accommodate a visit from the Minister of Education, Hon. Erica Stanford after lunch tomorrow. We look forward to hosting the Minister and showcasing all the amazing work we are doing at our kura. We will share more about this visit in next week's newsletter.

Parking and Safety of our Tamariki

Our number one aim is to keep our tamariki safe at all times. We have closed off the staff car park at peak times because it was being used as a pick up zone and we had children walking through the car park to meet their parents. Cars would then back up or double park - it was a disaster waiting to happen. If you see the barrier up, please do not drive up and move it to drop your child off.

1) Please use the pedestrian crossing to cross Iles Road at all times. We are seeing parents walk straight across the road from Owhatiura Drive and then walk their children back with them. This is not only poor role-modeling and a disregard for road safety but also demonstrating to our students that there is a rule for others but not for us.

2) Please do not park on the yellow lines (on either Iles Road or Larcy Road) or in front of the staff car park entry.

The safety of our tamariki is paramount. Please help us to keep our children safe. If our staff kindly advise you that you are parked in a no parking area or ask you to cross at the pedestrian crossing - they are doing this to keep our children safe. We realise that pickups and drop offs might take an extra minute or two however we believe the safety of every child is worth it. Thank you for your help with this.

Disco TONIGHT - Winter Wonderland

Our Parent Teacher Association PTA and our teachers are running our first disco of the year tonight. We are looking forward to enjoying this event with your children and there are many excited tamariki today. If you would like to help us set up or sell food/drinks tonight - please come along. Many hands make light work.

International Visitors

Following our visitors from Futian School last week, we hosted 30 school leaders from Korea yesterday. It was wonderful to see some of our Korean students involved during the school tours alongside some of our seniors. Our second group from Choucheng School are due to arrive this weekend and we look forward to having them in our kura next week. We are also welcoming a small group of Japanese teachers to our kura who will visit other Schools in our Eastside area and will be working amongst our classrooms at Lynmore. Thanks to all the families that are hosting these guests.

Senior School Winter Sports

We wish all our senior school students the best of luck at their winter sports tournament next Tuesday. We know they will showcase our school values and do their absolute best!

Have a great weekend, and we look forward to seeing all the dance moves this evening.

ICAS EXAMINATIONS 2024

Our ICAS examinations are nearly upon us and begin next week. Please read through to check the dates and how these exams will work.

ICAS exam dates:

English - Wednesday 14th August

Science - Tuesday 20th August

Spelling Bee - Thursday 22nd August (students will need their own headphones)

Maths - Thursday 29th August

Time: Where possible the exams will run in the first block between 9-11am.

Preparation: It is great to see that many students have taken the opportunity to borrow practice booklets. Just a reminder that this can be returned and swapped for new booklets if this helps your child's preparation.

Additionally, we also highly recommend that students have a go at the sample tests on the demo site (<https://www.icasassessments.com/icas-preparation-tools>) for each subject they are doing. This will help them learn to navigate the types of questions that they will encounter. Students must select the correct paper for their year group:

Year 4—Paper A

Year 5—Paper B

Year 6—Paper C

What is needed on the day: Students will be provided with a school iPad that is loaded with the necessary software for the exam. Students must provide their own headphones if they are sitting the Spelling exam.

KUPE 4 News...

Birds of the Forest

The curtains open; Tane walking, the birds following, almost like Tane was calling, but it doesn't stop there. Kea will give you a good laugh, or a chuckle, as he's stealing a chocolate from a fellow human. I wouldn't trust a kea if I was you.

Just when people think it couldn't get better, the Piwakawaka song starts. You will be surprised when Kupe 4 sing their hearts out.

You'll be amazed by a really friendly performance. I mean super friendly!

Ki-o-Rahi

On Tuesday a team of 13 senior students represented Lynmore School at the CBOP Ki-o-Rahi tournament run by Te Kura o Te Koutu and held at Otonga Primary. Ki-o-Rahi is a traditional Maori game which has grown in popularity over the last few years. It is a complex game so our students have shown a huge level of commitment by practicing every day for the last two weeks. Our team played very well and showed both amazing talent and sportsmanship. We were undefeated in the tournament earning 6 wins from 6 games. A big Thank you to three Rotorua Boys High students; Manaia, Nikau and Rylin who helped coach our team and introduced some awesome strategies to our players to help them win. We look forward to introducing more students to the game of Ki-o-Rahi in the future.

Well done to all the students involved who showed their awesome teamwork skills. Thank you to Whaea Catherine who did an amazing job organising all the teams and transport. Thank you also to those parents who helped with transport and helped manage a team. Without parent help we can not enter teams to this event, so THANK YOU parents.

BOT NEWS...

TE PĀNUI O TE POARI / THE BOARD NOTICES

Ni hao, kia ora and welcome to term 3! We had a Board hui/meeting on Monday night and were excited to hear all about our international ākonga/students from China. Thank you to all our host whānau for looking after them and making them feel welcome. The Lynmore manaaki/hospitality has certainly been on display in our community as well as in our akomanga/classrooms. We are very appreciative of all the kaimahi/staff and ākonga for making our Chinese manuhiri/guests' time here a memorable one. This is a great learning opportunity for our whole kura/school and we will be well prepared for our next rōpū/group (which is much bigger) when they arrive in August.

Last week Lynmore hosted two whakatau/welcome ceremonies, one for our cohort of new five year olds (as well as any new starters across the kura) and a second, hosted by our amazing middle school, to welcome the Chinese manuhiri. Our Heamana/Chairperson (or Presiding Member as we're now supposed to call her), Annamarie, was fortunate enough to attend both the whakatau and was incredibly proud of the school values demonstrated by all our ākonga from the littlest newbies to the senior and middle school leaders. Everyone made us all proud. A huge nau mai/welcome to all the new whānau joining our Lynmore community. We are glad to have you here!

As always, there are a lot of property and maintenance challenges around the school. This is because we have some ageing buildings and funding is always a challenge. We have some remedial works about to happen on some of our roofs, most importantly in our administration block where the damage was worse than we'd expected. And the fencing company still has some gates and small parts to complete, but we're hoping this job should be completed next week.

BOT NEWS...

TE PĀNUI O TE POARI CONTINUED

We approved the purchase of seven shade sails that will be installed in time for Summer. These will go into our upper junior block to provide much needed shade where we lost our big tree and onto the grassy areas between the hall and senior block where our juniors also play outside during play-based learning. We think this will create some safer outdoor spaces in the summer months and enhance our outdoor education opportunities. We can't wait to see them up!

Our Poari/Board is now two thirds of the way through our term. This means that this time next year the school will need to fill five parent spots to maintain a full Board. Not all of our existing Board will stand again, so we want to plant the seed with our parent community early. If you are interested in governance (policies, processes, property, finance) and supporting our amazing management team to continue all their mahi/work, then have a think about being on the Board. There is training available to support you if you don't have experience in this area, however, it will mean a time commitment. If you want more information on what a Board does or want to sit in on a hui to see what it's like, please email us.

As always, please contact us if you have any concerns or comments via the anonymous box in the office or email bot@lynmore.co.nz. Our next hui is on the 9th of September at 6pm in the SLT office at school. Anyone is welcome to attend, we just need prior notice for our agenda. Our policies and strategic plan can be found on our website and our minutes can be accessed at any time in Kerrie's office, which is next to Hinei's in the admin block.

We hope all your tamariki/children have had a good start to the term.

Zai jian and ka kite ano,

The #Team Lynmore Poari/Board

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
