## LYNMORE SCHOOL VISION STATEMENT

*We strive to inspire a lifelong passion for learning. Our approach is rooted in championing teaching excellence and providing a diverse range of learning opportunities in an engaging environment.*

*Drawing on meaningful connections to our hauora, whenua, iwi, hapū and whānau, we empower our students to become compassionate and well-rounded individuals.*

# FROM THE PRINCIPAL ...

Tena koutou katoa,

We had an awesome time celebrating Book Character Day today at Lynmore. Thank you to everyone who organised or made costumes for our tamariki. They looked fantastic and we celebrated as a whole school this morning and no doubt the celebrations carried on throughout the day. What a fun way to start our day.

## Helping to create a sustainable future

This week we have had two major planting events. One in our community at Hannah's Bay with Te Arawa Lakes Trust with Whaea Stacey Birch at the lead, and one in Waitawa Bush with Trees for Survival and our sponsors the Rotary Club with Matua Yosuke at the lead. If you were a parent helper or one of our planting students on either of these planting days - Thank you.

## Welcome Whaea Shaminder to our staff

We have a new cohort of Junior students starting on Monday with Whaea Shaminder joining us on Wednesday. Shaminder comes to us from Best Start Lynmore so she will know many of our new students starting in this cohort. We are lucky to have her join us and grateful to Best Start for releasing her as soon as they could.

## Perimeter Fencing

We are there whanau! It took a lot longer than expected but we are on the home straight. We have a few finer details that need to be finished but we are finally there. Yes - it will take a bit of getting used to, however we are looking at ways to make our entrances more welcoming than just the gates. Watch this space.

FYI: Gates to be closed between 9am and 3pm - this is to keep our children safe and inside our school grounds. Visitors to our school during these times, please remember to close the gate. All gates will remain unlocked outside of these hours with the exception of the vehicle access gate at the front of the administration building.

## International visitors

A big shout out to the whanau, students, and teachers who hosted our international visitors over the past month. It has been an amazing learning experience for our students and staff, our homestay whanau and also our visiting students from China, and teachers from China, Korea and Japan. This is their Summer holiday hence the reason why the international visits are at this time. The next opportunity for them to visit is in early February - their Winter holiday season. I hope we will have more homestay families available to host at that time.

## Safety of our tamariki

I know I keep going on about this and I will continue until the message gets through loud and clear. I have seen some horror scenes over the last couple of weeks:

- Coming into the staff car park, dropping off your children and then backing up or turning with near misses to other cars and children (we are now at the stage of getting a gate at the carpark entry)
- Dropping children off on the yellow lines immediately outside of school
- A child being dropped off outside of school and getting out of the back seat from the middle of the roadside. Shucks - that just isn't good enough!

# FROM THE PRINCIPAL ...

-2-

- Driving into house driveways to pick up your child and then backing up while children are walking on the footpath - a disaster waiting to happen.
- Larcy Road and Iles Road - parking on curbs, corners and on clearly marked yellow lines - this is not allowed in NZ
- Not using the pedestrian crossing and demonstrating to your children and others that this is o.k. Please - this is not o.k.

Once again, the safety of our students, your children is paramount. Please organise to drop off and pick up your children safely. I know our tamariki are more than capable of walking into school from safe drop off points on Owhatiura Drive, Iles Road and Larcy Road, they are also capable of meeting you at those points after school. **Let's do this together to keep our children safe.**

I hope you all have a fantastic weekend.

Tēnā koe Hinei,

I'm writing to thank you for hosting me at Lynmore Primary School on 9 August 2024, and to your leadership team and students for taking the time to give us both a tour of the school. I was so grateful for the opportunity to speak with your staff.

Thank you for the kapa haka performance and for welcoming me so warmly to your school. It was the best one I have seen for a long time. Your students are incredibly talented, and it was a privilege to hear from them, and to meet with them afterwards.

I was delighted to see your facilities and to talk with students who were engaged in learning. I really enjoyed spending time with your students outside during their science class and loved seeing their rockets. It was great to see students so engaged and excited about science, being taught by excellent teachers.

Thank you again for a very enjoyable visit, and please don't hesitate to get in touch.

## ICAS EXAMINATIONS 2024

Our ICAS examinations are nearly upon us and begin next week. Please read through to check the dates and how these exams will work.

**ICAS exam dates:**  
**Maths - Thursday 29th August**

Time: Where possible the exams will run in the first block between 9-11am.

Preparation: It is great to see that many students have taken the opportunity to borrow practice booklets. Just a reminder that this can be returned and swapped for new booklets if this helps your child's preparation.

Additionally, we also highly recommend that students have a go at the sample tests on the demo site (<https://www.icasassessments.com/icas-preparation-tools>) for each subject they are doing. This will help them learn to navigate the types of questions that they will encounter. Students must select the correct paper for their year group:

Year 4—Paper A

Year 5—Paper B

Year 6—Paper C

What is needed on the day: Students will be provided with a school iPad that is loaded with the necessary software for the exam. Students must provide their own headphones if they are sitting the Spelling exam.

# TREES FOR SURVIVAL...

We had a nice tree planting yesterday morning. The advisor from an organisation called "Trees for Survival" came and gave the students some lectures before we started planting. We planted more than 100 native plants.

The students from Hinemoa 5 had an opportunity to plant, and they did really well.

It is really good to see Waitawa Bush becoming more greener and greener. The other middle school students will get an opportunity next week for tree planting.

## Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
