LYNMORE SCHOOL VISION STATEMENT

We strive to inspire a lifelong passion for learning. Our approach is rooted in championing teaching excellence and providing a diverse range of learning opportunities in an engaging environment.

Drawing on meaningful connections to our hauora, whenua, iwi, hapū and whānau, we empower our students to become compassionate and well-rounded individuals.

Yesterday the Greerton hall in Tauranga was filled with enthusiastic Chess players from across the Bay of Plenty. Thirteen of them were from Lynmore School and for some of these players a first experience in a team challenge. The competition was fierce and Lynmore School put up an amazing battle throughout all of their games. It was so lovely to see how much enjoyment our players had with each other between games too. Well done to Antoine, who has recently shifted to New Zealand from France. He showed amazing courage; experiencing his first chess competition with very little English. Mikaere didn't even give some of his opponents time to blink before calling 'checkmate'. Blake was the receiver of a 'picket fence' award for winning all six games. Ka rawe to Felix and James, our youngest competitors who stepped up to the challenge. Congratulations to Jaden, Blake, Jack and Archie who took out silver and qualified for the Nationals. Our competitors had such amazing team spirit and should all be proud of themselves for embracing this competition. *Thank you to Rose for helping transport and support throughout the day also to Francios for supporting our players. More photos further on!*

Lynmore School is lucky to be hosting the next Chess Power Regional tournament Wednesday, 4th September in the gym. It is fantastic to have 48 of our school tamariki registered for this. We look forward to sharing more success stories from this event!

We wish our RoboCup team all the very best for the RoboCup Theatre Nationals held in Auckland this Saturday. *Enjoy the challenge - we are proud of you all!*

FROM THE PRINCIPAL ...

A bit of a wet ending to this week but it will be good for the trees that were planted last week!

Chess Regionals

Congratulations to the students that represented our school at the Chess Federation regional event in Tauranga yesterday. They were great ambassadors for our school and one of our teams came away with a 2nd place on the day. Thanks to Whaea Hayley and the parents that supported this trip.

Perimeter Fencing

As mentioned last week, this project is complete and we are just sorting a few issues particularly with the front gate. FYI: Gates to be closed between 9am and 3pm - this is to keep our children safe and inside our school grounds. Visitors to our school during these times, please use the gate and the office and remember to close the gate. All gates will remain unlocked outside of these hours.

Helping to create a sustainable future

While one of our planting events went ahead last week, one has been postponed to next week. This will involve planting in Waitawa Bush with Trees for Survival and our sponsors the Rotary Club, and led by Matua Yosuke/Whaea Lisa. We look forward to having this planting happening next Wednesday.

MIGs Gymnastics

Best of luck to our students that are competing at the MIGs Gymnastics competition tomorrow - they have been preparing hard and are looking forward to the event. Thanks to Mrs Ally Green for organising this event and we look forward to sharing the results with you next week.

Robocup Nationals

We also wish our four Robocup teams well as they head to Auckland this weekend to compete in the Robocup National competition. We have two teams competing in Theatre and two teams competing in Rescue. They have put a lot of time into practising for this competition and we hope they have an amazing time. We look forward to sharing photos from this competition in our newsletter next week.

Safety of our tamariki

The safety of our tamariki is always our top priority. We still are having issues with cars around the school, and this is particularly bad on wet days. Please use the pedestrian crossing to model to our children what we need them to do - thank you to the whanau that are doing this!

Please **do not**:

- Come into the staff car park, to drop off your children (we are now at the stage of getting a gate at the carpark entry)
- Drop children off on the yellow lines immediately outside of school
- Drive into house driveways to pick up your child and then backing up while children are walking on the footpath - a disaster waiting to happen
- Larcy Road and Iles Road - park on curbs, corners or on clearly marked yellow lines - this is not allowed in NZ.

Please organise to drop off and pick up your children safely. I know our tamariki are more than capable of walking into school from safe drop off points on Owhatiura Drive, Iles Road and Larcy Road, they are also capable of meeting you at those points after school. Let's do this together to keep our children safe.

I hope you all have a fantastic weekend.

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
