LYNMORE SCHOOL VISION STATEMENT

We strive to inspire a lifelong passion for learning. Our approach is rooted in championing teaching excellence and providing a diverse range of learning opportunities in an engaging environment.

Drawing on meaningful connections to our hauora, whenua, iwi, hapū and whānau, we empower our students to become compassionate and well-rounded individuals.

Kupe 0 students dressed in yellow to support Daffodil Day...more photos further on!

Last Saturday 11 students from Lynmore competed at the Robocup National competition in Auckland. In order to reach this competition they had to qualify through the regional competition late last term. The competition was tough, with our teams competing against students from other schools across New Zealand, with competitors right up to high school level. Our students demonstrated all our school values and persevered even when things didn't quite go as planned.

A huge thanks to all the whānau who made it possible for their children to attend. A big thank you also to Mrs Belt (DP) for being the awesome driving force behind the scene.

Congratulations to all these students for competing

FROM THE PRINCIPAL ...

Kia ora koutou,

Another full week at Lynmore School with lots of events happening including our Year 0/1 students who are today off to Paradise Valley Wildlife Park (watch for photos from this trip in next week's newsletter). Here are some more of the highlights from the last week.

MIGs Gymnastics Event

Congratulations to all the students that participated at this event last Friday. All students showed our school values (particularly courage) throughout the day as they competed with other gymnasts from around Rotorua. A huge thanks to Mrs Green and Mrs Mac for their mahi preparing our students for the competition and on the day.

Chess Regionals

We had another chess tournament yesterday, this time at Lynmore School. Just under 50 students from our kura participated alongside nearly 100 others from around Rotorua. A huge thanks to Whaea Hayley for her organisation with this event - check out the full report on this tournament in next week's newsletter.

Trees for Survival Planting

Many of our middle school classes were involved in tree planting in Waitawa Bush yesterday. It is wonderful to be able to take part in this initiative in order to sustain the amazing work that is continuing to happen in Waitawa Bush. A huge thanks to Helen Morrison, Whaea Lisa, Yosuke and all the classes that were involved with this planting project. If you get a chance - take a walk through. More photos further on in this newsletter.

A note from Trees for Survival : What does Trees for Survival mean to you? We enjoy sharing stories about planting days and would love some feedback from students or teachers about your planting day and experience in the Trees for Survival programme - please use [this link](#) or feel free to email any feedback to info@tfsnz.org.nz. Thank you!

Robocup Nationals

Congratulations to those students that participated at the Robocup Nationals last weekend. To qualify to attend any event at National level is an amazing accomplishment and the teams represented Lynmore School and themselves proudly, showing all the school values.

Perimeter Fencing

We're happy to report the minor issue with the front gate has been fixed. A reminder that gates will be closed between 9am and 3pm to keep our children safe and inside our school grounds. Visitors to our school during these times, please use the gate at the office and remember to close the gate behind you. All gates will remain unlocked outside of the above hours.

FROM THE PRINCIPAL ...

-2-

Tangihanga of Kiingi Tuheitia Potatau Tewherowhero VII

Our thoughts and love go out to the whanaunga of Kiingi Tuheitia, the Maori king who called for unity among New Zealand's Indigenous tribes during his 18 years in his ceremonial but influential role. Te rā nehu (burial) is today, where tens of thousands of people are gathered at Turangawaewae Marae in Ngaruawahia. Paimārire.

Safety of our tamariki

The safety of our tamariki is always our top priority. We still are having issues with cars around the school, and this is particularly bad on wet days. Please use the pedestrian crossing to model to our children what we need them to do - thank you to the whanau that are doing this!

Please **do not**:

- Come into the staff car park or gym car park, to drop off your children
- Drop children off on the yellow lines immediately outside of school
- Drive into house driveways to pick up your child and then backing up while children are walking on the footpath - a disaster waiting to happen
- Larcy Road and Iles Road - park on curbs, corners or on clearly marked yellow lines

Please organise to drop off and pick up your children safely. I know our tamariki are more than capable of walking into school from safe drop off points on Owhatiura Drive, Iles Road and Larcy Road, and they are also capable of meeting you at those points after school. Let's do this together to keep our children safe.

I hope you all have a fantastic weekend.

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
