## Explosion at world pie eating champs

By James Tait  
Patty Phatty came up to compete and eat 150 pies under 60 minutes. Her tummy puffing and puffing. Boom! "You fatty," the crowd roared. All the pies were flying into people's faces. "Call the ambulance!" The ambulance came zooming over to Patty Phatty. Now New York's champion.

Kupe 4 had an incredible trip to NZME on Tuesday. Senior journalist, Kelly Makiha and Paul Hickey from the Hits got us super excited. We have some budding journalists and radio presenters at Lynmore.

Go to [this link](#) if you want to hear more..

Wednesday we had a total of 142 students - 46 from Lynmore School involved in a Regional Chess tournament here at Lynmore School. **More information and photos further on in this newsletter.**

# FROM THE PRINCIPAL ...

*Tena koutou katoa,*

It's been another jam packed week at Lynmore. Our amazing staff are leaving no stone unturned. We appreciate their efforts in making our school an awesome place for your tamariki to learn and thrive to be the best version of themselves. This week we wanted to show how much we appreciate our staff who always go above and beyond the call of duty by having a "Wellbeing week". We made every effort to shorten the after school meeting commitments for staff, we enjoyed a very nice morning tea sponsored by [Citron Cafe](#) - thank you very much, and tomorrow our Leadership team will cook breakfast for our staff.

## Kupe 4 visit to NZME

This week one of our middle school classes visited the NZME studio and had some time with Daily Post reporter Kelly Makiha. Another quality learning experience where our students get to see the jobs where literacy learning and writing can lead to greater work opportunities. Our kids also spent some time with Paul Hickey and we may very well have 2 emerging [radio announcers](#). It was very cool to see some of our Kupe 4 students walking around with clipboards today taking notes to report on today's Middle School Olympics event.

## Olympic Games at Lynmore

The competition was fierce out there today. For a very brief time, Mary-Anne needed to run a mini triage system for our casualties but nothing too serious and everyone seemed to be having lots of fun. Thank you to many of our whanau who managed to find the time to come and support their tamariki in our Olympics finals. Big Ups to the staff who put this event together.

## Waitawa Bush Planting

Apologies - my comments last week blended two planting events.

A huge thank you to Adrienne (Trees for Survival coordinator) and our sponsors the Rotary Club, along with Yosuke who organised a planting day on the 21st August. Whaea Delanie's Hinemoa 5 class had a great time being kaitiaki for the 170 trees that were planted that day.

We would also like to thank Helen Creagh and her team from BOP Regional Council for your ongoing support with Waitawa Bush. Our Middle school classes thoroughly enjoyed their time with you and your team on the 28th August.

It's events like these that help us create opportunities for our tamariki to appreciate and learn about our environment. Waitawa Bush is looking amazing and local context learning is happening right on our doorstep. Thank you all very much.

If you get a chance - take a walk through.

## Crossing the road

The safety of our tamariki is our priority. Please use the pedestrian crossing to model to our children what we need them to do - particularly when you are not walking with them.

It is really disheartening to see parents not using the pedestrian crossing and walking their children across the road from school to Owhatiura Drive. This really isn't good enough! The extra 2 minutes it takes to get up to the pedestrian crossing to support is in teaching your child to cross the road safely is worth it.

# FROM THE PRINCIPAL ...

-2-

I am also saddened to hear that some adults are not taking the time to listen to the instructions of our road patrollers at the Pedestrian crossing. Our road patrollers are Year 6 volunteers, along with their parents who are supervising our road patrollers. Constable Anais, NZ Police Road Safety officer trains our tamariki to complete a strict procedure at our crossing.

Please support our road patrollers to do their leadership role correctly and wait for their instructions for everyone to cross safely.

I hope you all have a fantastic weekend.

## *Kupe Whare Ako*

0	Noah	Aroha	Noah, you have settled into Lynmore School with ease. You have developed some lovely friendships and show aroha to your peers by always including them in your play. You are kind and thoughtful, always lending a hand to those in need. Thank you for being so helpful in the classroom. You keep our environment clean and tidy and always offer to help tidy the outside play equipment. Tino pai Noah!
1	Maddie	Curiosity	For always being willing to ask the questions you need to find answers to. It is so wonderful to see you explore new information that helps you make sense of the world around you. Keep up the great learning, keep exploring and finding your voice. It is so wonderful to see. Ka Rawe!
2	Brooklyn	Curiosity	Brooklyn, you have amazed me with your willingness to try new things and encourage others to do so alongside you. You have come a huge way in your mahi, and this is from trying, looking for other/better ways, and trying again. I am incredibly proud of how far you have come and excited to see how far you will go on. Keep up the great mahi Brookie!
3	Taylor	Aroha	Taylor, you are working hard to understand other children's feelings and the impact your actions have on them. Your intentions to be kind are always evident. When others do well in something you are always cheering for them! During play-times you take turns in the games and listen to other ideas. You are a superstar Taylor!
4	Hugo	Courage	Hugo for stepping up to the challenge and presenting on air for The Hits radio station. You did it with such confidence and calmness which was admirable for us to watch. Your sportsmanship throughout our Olympic sports events hasn't gone unnoticed either. Thank you for being an inclusive and kind team member to all your class peers. Kupe 4 are lucky to have you, keep being you!
5	Rebecca	Courage	For trying hard and making good choices in the class. You have been focussed and engaged in our learning. You have demonstrated a positive attitude and persevered when challenged. Keep up the good work.
6	Elijah	Curiosity	You display great observational skills during our math sessions, noticing relationships and patterns in numbers and geometric sequences. We appreciate your curiosity and contributions when exploring new concepts. Your ability and willingness to support others in their learning does not go unnoticed. You are an enthusiastic team player in and out of the classroom, always showing sportsmanship and a positive team spirit. Ka rawe Elijah!
6	Sienna	Aroha	Sienna, we appreciate your thoughtfulness and sincerity in supporting others at Lynmore School. It is wonderful to see how much your confidence has grown in your maths learning, taking risks and happily sharing your thinking and reasoning during our discussions. We are also very proud of the extracurricular activities you have participated in this year including the chess tournament last week. Thank you for shining aroha in Kupe 6 each day!

## *Hinemoa Whare Ako*

0	Just	Aroha	Just, it is beautiful to see the way you are growing and nurturing friendships within our classroom. You are welcoming and inclusive in your play and you take the time to ask others if you can join in with theirs. Your bubbly personality and your sense of humor shines whilst you are engaging in play, making you a firm friend of many in the class. Ka mau te wehi, Just! Keep shining!
1	Nico	Integrity	Nico I am super proud of the way you have taken on board your goals in your writing and are developing your independent writing skills. You have a wealth of knowledge and are now finding the confidence and building the skills to get your ideas down on paper. As you learn ways to keep focussed, you will be able to achieve great things, e hoa. We all love your sense of humour and positivity and enjoy hearing what you have to say! Ka mau te wehi!
2	Max	Integrity	Max, it is really great to see your growth over the year. You are working really hard to do the right thing, from working hard in your mahi to the way you treat others. You are learning from your mistakes and making an effort to make good choices. We are lucky to have you in Hinemoa 2. Keep up the great effort Max!
3	Sameer	Integrity	Leading by example, Sameer, although a quiet student, you are a positive role model. You willingly take on responsibility and show respect to others and our environment - even if no one is looking. Thank you for being a valuable member and contributor to Hinemoa 3 and Lynmore School!
4	Babbar	Integrity	Babbar, for being consistently well behaved and working to the best of your ability. You are engaged with your word of the day and this learning is transferring into your writing and reading activities. Hinemoa 4 is lucky to have such a great role model.
5	Luke	Courage	Luke, your courage has grown this year. You are now an independent writer, you know what you want to say and now have the confidence to put it on paper. You continue to become more involved in class activities even using your awesome basketball skills to get involved in our mini Olympic game play offs just last week. Ka pai hoki koe! Good on you, Luke!
6	Noah	Integrity	Congratulations, Noah! Your consistent display of integrity is truly admirable. You always do the right thing, even when no one is watching, and you set a positive example for everyone around you. Keep up the great work!
6	Lexi	Curiosity	For showing amazing diligence in your work. You have been putting in a great effort and producing great writing. You are not afraid to ask for help when needed and are asking great questions. You have been putting in an incredible effort with our community item too! Keep up your great learning attitude. Well done Lexi!

## *Ihenga Whare Ako*

0	Siennah	Courage	Siennah, for being able to take risks and give new things a go. You are working really hard to sound out the letters and make words. You continue to become more involved in class activities and using your knowledge and skills to explore new things. Ihenga 0 is lucky to have such a great role model.
1	Liam	Courage	For showing courage in both reading and writing. It is great to see you using your knowledge of letter sounds to try to sound out words. Keep up the awesome effort Liam. You are a star!!
2	Koda	Integrity	For rising up above what is going on around you and making amazing choices that positively impact your learning. You consistently choose to do the right thing even when no one is watching. You are a kind friend who ensures you help those in need. Keep showing integrity in all you do and you will go far. Ka mau te wehi Koda!
3	Ralph	Integrity	For looking after classroom property. Ralph, you have been checking and tidying up the library corner and have ensured that all books are placed in the right places. You also remind others to take care of the classroom environment. Well done on achieving your goal, Ralph. Ka Pai!
4	Isabella	Integrity	For always trying your best and working super hard in all your mahi. You are not afraid to make mistakes and learn from them, and I have noticed your resilience and strength with our learning. Thanks for showing integrity in our classroom, keep up the amazing work Isabella. Ka pai!
5	Hannah	Courage	For being an awesome grandma in our class community. Hannah, you demonstrated courage on the stage and showed aroha supporting your peers. You take pride in your work and always try to persevere when challenged. You are a star!
6	Piper	Courage	Piper, you have been pushing yourself outside of your comfort zone and taking on leadership opportunities offered to you. You support your peers during collaborative mahi - listening to their ideas and offering your own. Thank you for being an amazing role model in our kura! Ka rawe!
7	Yi Shan	Courage	It is great to see you sparking up with your maths. I love seeing you taking on the challenges both in our class sessions and in your maths extension class. I have heard you are really showing what you can do with Mr Cunliffe. You have so much potential Yi Shan. Keep it up.

## ATTENDANCE INFORMATION:

**Fact:** If a student misses 20 days of school every year, by the end of Year 12 they will have missed more than a years' worth of schooling!

**Fact:** Students with good attendance generally achieve higher grades and enjoy school more.

# FROM THE PRINCIPAL ...

Last Wednesday we had a total of 142 students - 46 from Lynmore School involved in a Regional Chess tournament here at Lynmore School. There were two divisions that players participated in: Rookies and Junior. Rookies were for players who have not been to a chess tournament and Juniors have played in a tournament before. We had great successes in both categories - a Rookies Lynmore team taking out 1st, Cole taking out 3rd in the Rookies. Archie, Jaden, Blake and Maoka won Bronze overall and qualified a seat for the nationals. Maoka took out the champion girl!! Tyler received recognition for the biggest upset of the day. Everybody who participated got a certificate and enjoyed it. *By Archie and Cole H6*

Congratulations to our Rookies for entering their first tournament and all our participants for showing resilience, determination and fantastic sportsmanship throughout the day. A special thanks to all our parent helpers who arrived at school super early to set up the gym. Thank you Mrs Mac for sharing your learning space and our parent supporters on the day. Thanks to Bruce and Taemi from Chess Power for providing a regional chess competition opportunity. A special thanks to Matua Heke and Matua Tony for their amazing mahi to arrange all our furniture to accommodate so many players. We appreciate you immensely!

## TE PĀNUI O TE POARI / THE BOARD NOTICES

It's hard to believe we're so far into term 3 already! We had our latest Board hui on Monday night and a lot was discussed, because as always, there is so much going on around our kura/school. One of the good news stories shared was all the planting happening in Waitawa Bush and the positive impact on all our tamariki/children who are invested in the wellbeing of this taio/environment. We greatly appreciate everyone who has put mahi/work into enhancing this fantastic learning space, especially our tamariki, our Environment kaiako/teacher Yosuke Hase, Helen Creagh and her team at Rotorua Lakes Council, Adrienne, her team and our sponsors the Rotary Club with Trees for Survival and our amazing Tumuaki/Principal Whaea Hinei who is constantly working with many different stakeholders for funding and resource in this space because she knows the value of this taonga/treasure to our tamariki.

In regards to property projects around our kura - we finally have the fencing complete! A big thank you to Whaea Hinei and Board member Daniel Gibbs, along with our awesome caretaker Heke Tarei who quickly became experts in this area to ensure the best solutions were delivered to keep our tamariki safe. We also had an update on our gym repairs. As you may know, this building is shared ownership between us and the Ministry of Education and it's been in a bit of a state for a while, with the roof in dire need of repair. We finally saved enough for our share of the repairs and had the Ministry agree to fund their part and we've had a project team appointed and plans drawn up. We hit a bit of a delay recently (as always happens with big projects) but at this stage, we may begin repair work in October. This will create disruption for our tamariki and community who use this space for various extracurricular activities as it will be closed for the duration of repairs. The project team has assured us they will work quickly to minimise the downtime in this space, but as these projects always seem to take longer than expected we'll continue to update our community as we know more. We also need to do some remediation work on our admin block due to some leaks and this has been approved and will hopefully happen later this year as well.

# BOT NEWS...

## TE PĀNUI O TE POARI CONTINUED

We have agreed to set up a Board sub-committee to look into the health and safety issues around drop off and pick up and look into the near misses we are having from people using our staff and gym carparks to drop off their tamariki. We know that there is no ideal solution for collecting and dropping off your precious cargo but we'd like to investigate how we can improve this and mitigate the risk of an accident occurring. It is a constant worry for us and a burden for all our staff to manage. We are very keen to hear from our community on the challenges and suggestions for improving or changing this important part of the day. If you have expertise in this area or have information that would help this sub-committee, please email us at [bot@lynmore.school.nz](mailto:bot@lynmore.school.nz).

We also reviewed all the grants we apply for that help us continue to provide quality education for all our tamariki. We received a total of \$152,165 in grants last year to help us pay for things like sports uniforms, camp, trees for Waitawa Bush, science trolleys, our new playground and a scooter and bike rack. This year so far we've received \$159,864 in grants for things like our new shade sails (due to be up before term 4) and a new school van. We wanted to review which grants we were applying for, with full transparency to where it came from. We worked out that 47 % last year, and 50% this year have come from money associated with community gambling. We discussed the ethics of receiving money from these organisations due to the harm gambling causes many whānau in the community. We wanted to make sure our school whānau was clear on how much additional funding we have to apply for to continue to make Lynmore School an excellent place for your children.

As many of you know, we are one of only two Rotorua schools who do not receive the additional \$150 per student from the government and it's why we ask for this donation if you have the means to do so.

# BOT NEWS...

## TE PĀNUI O TE POARI CONTINUED

The system used by the government to work out this funding allocation is, in our opinion, flawed, and it means constant fundraising and grant applications if we want to provide the resources our kids deserve. It's also worth noting that the grant applications take a considerable amount of both Whaea Hinei and Kerrie's time. But at this stage, we need to continue investigating all avenues to fill the funding shortfall. If you have any suggestions or want to offer assistance in the area of fundraising, we'd love for you to get in touch.

School Board elections will be this time next year, which means we have begun planning to ensure smooth running of the school when a new Board is elected. The community will need to fill five parent spots and not all of our existing Board will stand again, so we want to plant the seed with our parent community early. If you are interested in governance (policies, processes, property, finance) and supporting our amazing management team to continue all their mahi, then have a think about being on the Board. There is training available to support you if you don't have experience in this area, however, it will mean a time commitment. If you want more information on what a Board does or want to sit in on a hui to see what it's like, please email us.

As always, please contact us if you have any concerns or comments at [bot@lynmore.co.nz](mailto:bot@lynmore.co.nz). Our next hui is on the 30th of October at 6pm in the SLT office at school. Anyone is welcome to attend, we just need prior notice for our agenda. Our policies and strategic plan can be found on the school website and our minutes can be accessed at any time in Kerrie's office, which is next to Hinei's in the admin block.

## Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
