## LYNMORE SCHOOL VISION STATEMENT

*We strive to inspire a lifelong passion for learning. Our approach is rooted in championing teaching excellence and providing a diverse range of learning opportunities in an engaging environment.*

*Drawing on meaningful connections to our hauora, whenua, iwi, hapū and whānau, we empower our students to become compassionate and well-rounded individuals.*

Wednesday, the Middle School students participated in a potting up session. This was part of the Trees for Survival programme, and the seedlings potted today will be nurtured at school for one year and planted in the community next year.

A big thank you to Adrienne from Trees for Survival, and the sponsors from the Rotorua Rotary Club for providing this wonderful opportunity.

Everyone who participated had a fun and educational experience.

# FROM THE PRINCIPAL ...

It is hard to believe it is the second to last week of the term and yet again another week full of great learning. I'm writing this report from Christchurch, where I'm attending the annual New Zealand Principals Conference ***Tau mai, Tau tahi - TOGETHER leading learning.***

## **Te Wiki o Te Māori 2024**

This week we've joined with many across the country in celebrating Māori Language week. The theme for Te Wiki 2024 is 'Ake ake ake – A Forever Language'. It represents the resilience, adaptability and endurance of our language. Our team has put together activities across the week including 'Te Reo tips' on the TV station, lunchtime activities in the hall and support for class activities including some new whakatauki and waiata. Kaiako (teachers) are handing out 'rawe Te Reo' cards to celebrate students using Te Reo and we have some prizes to hand out at Community on Friday. I'm delighted to report Kaiako ran out of the cards by Wednesday morning and we needed to quickly print some more - a wonderful reflection on the effort our teachers and tamariki are making - ka rawe! Thanks to Whaea Lisa for leading this team and our Kaiako and Learning Support team that are supporting the extra events this week.

## **Open Afternoon - Personal Education Plan (PEP)**

A huge thank you to all the whānau who visited for either a PEP or during our open afternoon earlier this week. We really appreciate the partnership that this creates between home and school and value your time and input into your child's learning.

## **Trees for Survival - Potting Session**

The sun shone brightly yesterday which was a huge benefit for our potting session. Yosuke with students from the middle school supported this session, filling our miniature greenhouses with new seedlings - it will be great to watch these grow and one day be ready for planting into Waitawa Bush. Once again, a huge thank you to Adrienne (Trees for Survival coordinator) and our sponsors the Rotary Club for their continued support of this great initiative.

## **Year 2 Trip to Wingspan**

Today and tomorrow our Year 2 students are visiting Wingspan, to build on the learning they have been doing in class around NZ native birds (some of which they see frequently in Waitawa Bush). We look forward to hearing about their trip and sharing some photos with you next week.

## **Aquabots - Regional Competition**

We wish our Aquabots teams all the best at their regional competition this weekend. They have been practicing hard and we know they will do their best and showcase all the school values at the event. Thanks to Mr Donnell, Mr Cunliffe and Mrs Belt for supporting them to be ready for the competition.

Kia pai ō koutou rā! - Have a good day everyone!

0	Arthur	Curiosity	Arthur, you approach learning with enthusiasm and curiosity, always eagerly exploring Waitawa Bush and quickly identifying the trees we are learning about. Arthur, you ask a lot of great questions and I appreciate the way you freely share your opinions and ideas. You have been showing courage in writing by attempting new words on your own. Arthur, you have been challenging yourself in maths and it is great to see your enthusiasm to solve a variety of problems. Keep up the awesome mahi! Ka rawe!
1	Carter	Curiosity	Carter you have started to really give new mahi which is tricky a try. It is so wonderful to see you work outside your comfort zone. You are exploring your ideas more confidently, asking questions and making mistakes with an open mind. Miharo!
2	Leo-Jay	Courage	Leo-Jay, you have been trying so hard to be doing the right thing when no one is watching/listening, as well as encouraging your classmates to do the same. You have come a huge way in being able to regulate your emotions, and are finding new strategies to help when you are struggling both in your mahi or with your friends. I am so proud to see how far you have come both in and out of the classroom, keep it up!
3	Senuka	Courage	Senuka, you have been working really hard at compromising with your friends when you are playing. You are beginning to understand how to solve problems through conversation. It is fantastic the way you never give up and will keep trying. We are lucky to have you. Ka Rawe!
4	Jackson	Integrity	You are committed to your learning and demonstrate great drive and determination. It is great to see your mindset grow and watch you make the most of so many learning opportunities. We are impressed with your dedication to your Achievement Awards; you have inspired many of your classmates.
5	Ava	Integrity	I want to commend you for your hard work and determination in math. Even when things get a bit tricky, you don't give up. Instead, you ask for help and keep working until you solve the problems. Your perseverance is truly impressive, and it's wonderful to see you growing and improving each day.
6	Judah	Curiosity	You communicate and justify mathematical concepts in creative and intuitive ways often finding various solutions to a set problem. We love your curiosity in all learning areas and we are proud of your progress.
6	Vaani	Courage	Your success as a learner is consistently seen by your willingness to take risks, ask questions and persevere with challenges. You have shown great determination and effort in recalling your times tables, helping to lift your mathematical understanding and reasoning when working on multiplicative problems. We enjoy seeing how much you enjoy being involved in Kapa Haka, and your commitment to taking on positions of responsibility such as road patrol and staffroom duties. Keep shining courage and perseverance Vaani!

0	Ollie	Integrity	Ollie, it has been amazing to see how your leadership qualities have progressed as you have settled into school. You are a strong and positive influence in our classroom, ensuring people are included and that things are fair in your play. You have worked hard to ensure your listening skills are strong and you are always one of the first people able to help others follow instructions as you have listened effectively. Ollie, your presence and energy is so appreciated in our classroom and you are such a valued member of our class.
1	Shivaay	Courage	Shivaay, what an amazing learner you are! You have the courage to tackle really difficult mahi and challenge yourself in your learning. You are an outstanding reader, and a wealth of knowledge about so many interesting things. You are not afraid to share this with us, and I look forward to watching how you can get these ideas down in your writing as you grow with confidence. Kia Maia, Shivaay - keep up your wonderful work and take on all those wonderful opportunities to grow yourself!
2	Avelyn	Curiosity	Avelyn, you have made huge improvements in your reading and writing this year. You are making a real effort to listen to feedback and feed forward and make changes to improve your writing. You work hard to participate and engage in class discussion, especially in Authorship lessons which are flowing through to the improvements I am seeing in your writing. Keep up the great work Avelyn!
3	Omnia	Courage	Omnia, you are a courageous learner, making great effort to extend yourself in all curriculum areas. You participate with a positive attitude and contribute your ideas with increasing confidence. Listening to feedback, you respond with a 'can do attitude'. Keep working hard Omnia!
4	Lennox	Courage	Lennox I love your positive attitude towards all sports and learning. It was great to watch you participating in our Middle School Olympics putting in 100 percent effort. You are willing to share your views and appreciate that if you get something wrong that is just another opportunity to learn. Keep up the great work Lennox.
5	Tuahuriri	Integrity	Tuahuriri, your integrity and courage in learning has flourished this year. You're not just participating; you're taking an active role, trying your best to gain new knowledge and skills. You have stepped up as a leader, supporting your classmates and helping them find their own courage, especially during our mini Olympic sports, chants, and kapa haka. Kei runga noa atu koe! You are making a big difference and becoming a fabulous role model within our kura!
6	Manakura	Courage	You have shown amazing courage and ability in your breakdancing section of our class community item. The way you took that role and made it your own and the energy you brought really made the breaking section of the show stand out. We are really proud of how you are excelling in and out of class. Keep up the amazing Mahi Mana!
6	Jack	Curiosity	You are showing great effort in your work Jack. You are making great progress in Aquabots and are really taking the design/think process to the next level with your group, and it is showing with your great bot design. Keep going with your willingness to ask questions and finding new ways forward. You are doing fantastic Mahi!

0	Ollie	<b>Courage</b>	Ollie, you have been trying really hard to do the right things even no one is watching you. You are making great progress to regulate your emotions and concentrate on your mahi. You are stepping out of your comfort zone to try new things and be prepared to reattempt to achieve success. You are a star. Ka rawe.
1	Liam	<b>Curiosity</b>	For having a 'can do attitude' towards your work. You have worked really hard to learn the alphabet letters and their sounds and are beginning to use this knowledge in your reading and writing. Keep up the amazing work Liam. You are a star!!!!
2	Ashlan	<b>Aroha</b>	For being a kind and caring friend. You are always on the lookout to help those in need and are so thoughtful. You are responsible and can be relied upon to complete tasks sensibly. You are a brilliant role model to your peers. You are mature beyond your years and we are so lucky to have you in Ihenga 2. Keep being your awesome self!
4	Patrick	<b>Curiosity</b>	For asking questions and engaging with different areas of learning. I especially notice your inquisitiveness while working with our science kits or when we are in Waitawa. Well done for all your hard work, keep up the curiosity and wonder! Ka mau te wehi, Patrick.
5	Rylee	<b>Integrity</b>	For making good choices and showing responsibility for your learning. Rylee, you are taking ownership, asking for help and supporting your peers. Keep up the good work!
6	Emily	<b>Courage</b>	Emily, you are seeking opportunities to positively influence your peers; both in the class or playground. You notice when people need support and then act on that by showing them, rather than doing it for them. Ems, thank you for your kind leadership. Ka rawe!
7	Agamjot	<b>Courage</b>	For the way you are stepping out of your comfort zone to try new things and be prepared to reattempt to achieve success. Keep it up Agamjot.

			Further recognition
Mrs Mac	Isla Ihenga 7	Aroha	Isla, I really admire how organised and thoughtful you are in taking the initiative to buy and design t-shirts for your entire team. It shows not only your creativity but also your strong organisational skills and attention to detail. You've clearly put a lot of effort into making something special, and it's inspiring to see how dedicated you are to making everyone feel included and united.
Whaea Stacey	Benjamin Ihenga 6	Courage	Benjamin, you surprise me every time we head to Mokoia Island. Your confidence has grown so much since the first trip. I love the way you just get stuck in and get the mahi done. You are a real asset to our Mokoia Island Biosecurity group.

## Lynmore Middle School goes berserk over Olympic day...

Middle school Olympic finals day is taken to a next level on 12th September 2024. Basketballs flying, soccer balls swooping, hockey sticks whacking! A tense match of hockey shattered people's nerves as China (Kupe 4) versus Australia (Hinemoa 4) battled it out for gold. A smashing game of soccer left everyone semiconscious! Basketball was amazing too as the ball swooped into the baskets. Track was a blur of flying arms and gliding legs. For all those eyes watching on, maybe it will be you competing one day! **By Essie (Kupe 4)**

## George and Jared take each other on...

Lots of colours flood into Lynmore School. It is the Olympics 2024 at Lynmore Primary School. Students start to go to the steps and start racing different events. Spectators keep an eye on Kupe 4 as they are hot winners for the relay. George and Jared race really fast - the crowd is going wild. George jumps but Jared takes the win. Keep a look out next year as this is an event not to be missed! **By Juliet (Kupe 4)**

## TE PĀNUI O TE POARI / THE BOARD NOTICES

It's hard to believe we're so far into term 3 already! We had our latest Board hui on Monday night and a lot was discussed, because as always, there is so much going on around our kura/school. One of the good news stories shared was all the planting happening in Waitawa Bush and the positive impact on all our tamariki/children who are invested in the wellbeing of this taio/environment. We greatly appreciate everyone who has put mahi/work into enhancing this fantastic learning space, especially our tamariki, our Environment kaiako/teacher Yosuke Hase, Helen Creagh and her team at Rotorua Lakes Council, Adrienne, her team and our sponsors the Rotary Club with Trees for Survival and our amazing Tumuaki/Principal Whaea Hinei who is constantly working with many different stakeholders for funding and resource in this space because she knows the value of this taonga/treasure to our tamariki.

In regards to property projects around our kura - we finally have the fencing complete! A big thank you to Whaea Hinei and Board member Daniel Gibbs, along with our awesome caretaker Heke Tarei who quickly became experts in this area to ensure the best solutions were delivered to keep our tamariki safe. We also had an update on our gym repairs. As you may know, this building is shared ownership between us and the Ministry of Education and it's been in a bit of a state for a while, with the roof in dire need of repair. We finally saved enough for our share of the repairs and had the Ministry agree to fund their part and we've had a project team appointed and plans drawn up. We hit a bit of a delay recently (as always happens with big projects) but at this stage, we may begin repair work in October. This will create disruption for our tamariki and community who use this space for various extracurricular activities as it will be closed for the duration of repairs. The project team has assured us they will work quickly to minimise the downtime in this space, but as these projects always seem to take longer than expected we'll continue to update our community as we know more. We also need to do some remediation work on our admin block due to some leaks and this has been approved and will hopefully happen later this year as well.

# BOT NEWS...

## TE PĀNUI O TE POARI CONTINUED

We have agreed to set up a Board sub-committee to look into the health and safety issues around drop off and pick up and look into the near misses we are having from people using our staff and gym carparks to drop off their tamariki. We know that there is no ideal solution for collecting and dropping off your precious cargo but we'd like to investigate how we can improve this and mitigate the risk of an accident occurring. It is a constant worry for us and a burden for all our staff to manage. We are very keen to hear from our community on the challenges and suggestions for improving or changing this important part of the day. If you have expertise in this area or have information that would help this sub-committee, please email us at [bot@lynmore.school.nz](mailto:bot@lynmore.school.nz).

We also reviewed all the grants we apply for that help us continue to provide quality education for all our tamariki. We received a total of \$152,165 in grants last year to help us pay for things like sports uniforms, camp, trees for Waitawa Bush, science trolleys, our new playground and a scooter and bike rack. This year so far we've received \$159,864 in grants for things like our new shade sails (due to be up before term 4) and a new school van. We wanted to review which grants we were applying for, with full transparency to where it came from. We worked out that 47 % last year, and 50% this year have come from money associated with community gambling. We discussed the ethics of receiving money from these organisations due to the harm gambling causes many whānau in the community. We wanted to make sure our school whānau was clear on how much additional funding we have to apply for to continue to make Lynmore School an excellent place for your children.

As many of you know, we are one of only two Rotorua schools who do not receive the additional \$150 per student from the government and it's why we ask for this donation if you have the means to do so.

# BOT NEWS...

## TE PĀNUI O TE POARI CONTINUED

The system used by the government to work out this funding allocation is, in our opinion, flawed, and it means constant fundraising and grant applications if we want to provide the resources our kids deserve. It's also worth noting that the grant applications take a considerable amount of both Whaea Hinei and Kerrie's time. But at this stage, we need to continue investigating all avenues to fill the funding shortfall. If you have any suggestions or want to offer assistance in the area of fundraising, we'd love for you to get in touch.

School Board elections will be this time next year, which means we have begun planning to ensure smooth running of the school when a new Board is elected. The community will need to fill five parent spots and not all of our existing Board will stand again, so we want to plant the seed with our parent community early. If you are interested in governance (policies, processes, property, finance) and supporting our amazing management team to continue all their mahi, then have a think about being on the Board. There is training available to support you if you don't have experience in this area, however, it will mean a time commitment. If you want more information on what a Board does or want to sit in on a hui to see what it's like, please email us.

As always, please contact us if you have any concerns or comments at [bot@lynmore.co.nz](mailto:bot@lynmore.co.nz). Our next hui is on the 30th of October at 6pm in the SLT office at school. Anyone is welcome to attend, we just need prior notice for our agenda. Our policies and strategic plan can be found on the school website and our minutes can be accessed at any time in Kerrie's office, which is next to Hinei's in the admin block.

## Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.

## Welcome to Rotorua BMX Club and our Start Up to Race programme for beginners. Terms 1 and 4.

'Start Up to Race' is a fun, skills-oriented development programme that introduces kids to the sport of BMX. There is a big emphasis on fun and learning, fun and friendship, fun and going fast, fun and riding bikes...

**When: Starting October 17th 2024**  
Thursdays 4.30pm- 5.15pm (session 1)

**Suitable for:**

- 7 years and under
- New to BMX or no gate experience

Thursdays 5.30pm- 6.30pm (session 2)

**Suitable for:**

- 8 years and older

**Where: Rotorua BMX Track**  
Corner of State Highway 5 and Waipa State Mill Rd

### What's Involved:

- **Coaching:** focusing on skills and development. A fun environment helping kids build their confidence and technique.
- **Gear needed:** bike, long sleeve top and long pants, closed in shoes, gloves, helmet (full face when using the gate), under 8 years old must also wear elbow and knee pads.
- **Hire option:** BMX bike \$5 per night (limited availability), helmet, gloves, and pads \$5 per night. Hire available from 4.15pm.
- **Cost:** You will need to purchase a Club Membership plus a Race Licence. These will be valid until the end of the 2024 year. There are more details about what membership you will need here:
