LABOUR DAY, MONDAY 28TH OCTOBER 2024 - SCHOOL IS CLOSED

FROM THE PRINCIPAL ...

Kia ora koutou

I hope you have been enjoying the warmer weather that has finally arrived. We are enjoying using our outside of the classroom learning spaces, in particular under our new shade sails and in Waitawa bush.

I have thoroughly enjoyed watching the journey of learning by one of our Middle school classes. Their curiosity of spiders has led to a walk to the Redwood forest exploring little creatures and I was privileged to hear the descriptive poetry that every student in the class has been working on. I was amazed at how different every one of them were and their range of word selection was so descriptive that I could create a clear vision of what they were describing. Great work - Miss Fisher and Hinemoa 5.

National Shake Out

We had our National Shake Out drill today. The concept of stop, drop and hold can be quite amusing however we want to make sure that our tamariki know what to do in the event of an earthquake. We will be sure to run this drill again next week.

Diwali

We look forward to celebrating Diwali next Thursday. We have a performance at 11.30am in the hall by some of our students and we will also have some cultural activities.

Road Patrol

Thank you - we have had one parent volunteer to help us out with road patrol. Please contact Mary-Anne if you have any time to offer.

Touch for term 4

Touch grading day was last Saturday. Thank you to all of our coaches and parents who got their kids to Westbrook fields. I look forward to getting down to the fields on Wednesdays to see our kids playing.

A couple of reminders

Our Term 4 Teacher Only Day is Friday 15th November.
Hats on for Term 4. Please provide a hat for your child during these hotter months. We also have Lynmore bucket hats for sale from Mary-Anne in the school office.

Have a fantastic long weekend.

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
