## ***Kia ora koutou***

Today, we are filled with joy as we celebrate Diwali, the festival of lights! Our students brightened the school with their vibrant clothing, showcasing a wonderful array of colors. It was heartwarming to see everyone come together to embrace this rich cultural tradition. Thank you to Mrs Navneet Singh, Whaea Ruth and Whaea Shaminder for your leadership.

As part of our celebration, some of our children participated in an enchanting Indian cultural dance, spreading happiness and unity throughout our school community. The performances were a beautiful reminder of the diversity that enriches our daily lives.

## **Kapahaka**

In addition to our Diwali festivities, we are excited to announce that a large group of our students are actively preparing for the Te Arawa Primary Schools Regional Competition. They have been showing remarkable commitment, perseverance, and courage as they learn new waiata, poi, moteatea, and haka. Their dedication to mastering these traditional arts is truly inspiring, and we can't wait to see them shine on stage! This young lady was snapped during her morning tea time earlier this week - made my heart melt. Our school values are in action here.

Thank you for your continued support as we celebrate cultural diversity and foster the talents of our students. Let's continue to encourage them in their learning journey!

## **Kapahaka Schedule**

## Attendance Matters

One of the things we are continuing to focus on is student attendance.

If a student misses one day of school every two weeks, they miss more than a whole year of school by 16 years of age. As a parent or caregiver, you, alongside our school, play a key role in building strong habits of regular school attendance.

All students are legally required to attend school every day and it is a shared responsibility to make sure students attend and engage in learning from when they first start school.

Please let us know if your child is going to be absent or intends to be absent for a portion of the school term for whatever reason, like a tangi or medical procedure.

If you're struggling at home with getting your child to school, talk to us! Our school is committed to supporting your child to attend school and building a culture that fosters excellent attendance.

Here is a snapshot of what our Term 3 attendance data looked like.

### Introduction

Welcome to Every Day Matters. This is a termly report that highlights attendance patterns in your school and provides actionable insights to improve student attendance.

Four **Student Attendance Categories** have been developed to help schools understand how frequently each student attends. These categories give you a way to monitor the progress you are making in supporting students to attend regularly.

Student Categories	Student with	Equivalent to
Regular attendance	over 90% attendance	missing fewer than 5 days across a term
Irregular absence	more than 80% and up to 90% attendance	absent for between 5 and 9 days across a term
Moderate absence	more than 70% and up to 80% attendance	absent for between 10 and 14.5 days across a term
Chronic absence	70% attendance or less	absent for 15 days or more across a school term

This report provides a snapshot of how your school is performing, including an overview of the reasons for absence broken down by justified and unjustified reasons, insightful trends and next steps.

In April 2024, the Government announced a regular attendance target of 80 percent of students to be present for more than 90% of the term by 2030.

**NOTE:** In some cases, results have been rounded to the nearest percentage point to simplify the presentation of results. As a result, some totals may not add up to 100%.

Although our daily attendance rate is 89 - 93%, our overall regular attendance based on individual students shows that only 64% of our students attended school more than 90% of the time in term 3. Let's do this together and set some goals to improve this for our school community. We need everyone to aim for **less than 5 days of absence per term**.

Lastly, tomorrow we are supporting the "Gumboot Friday - I am Hope cause" to support the mahi that goes into helping the young people of New Zealand that are dealing with mental health challenges. Students are able to wear gumboots (if they have them) and non-uniform to support this great cause. A gold coin donation is appreciated. We look forward to seeing lots of Gumboots onsite tomorrow.

As a school, we are working to remove as many barriers as possible that impact on student learning.

## Year 6 Orientation day

This is an invitation to all current year 6 students who have received an offer of a placement and are enrolled at John Paul College in 2025. You are warmly invited to attend a fun-filled Orientation day.

**When:** Friday 22nd November

**Where:** Meet at the Edmund Rice Centre (ERC) at John Paul College

**Time:** 10.45am- 2.30pm

This is a great opportunity for the 2025 year 7 cohort to get together, meet new people, look around the school and have a go at some new and exciting activities that JPC has to offer.

### Itinerary for the day:

- 10.45am meet in Edmund Rice Centre at JPC
- 11.00-11.20am welcome and introduction
- 11.20-11.30am morning tea (students bring their own food)
- 11.30-12.00pm tour of the school
- 12.00-12.10pm presentation by year 7-8 students
- 12.10-1.20pm into group activities
- 1.20-2.00pm lunchtime (students bring their own food)
- 2.00-2.25pm closing presentation
- 2.30pm end of the day

This will be a chance for year 6 students to meet teachers, staff and some current junior students. You may have some questions that you are eager to ask-there will be lots of people around to help answer these.

Students are required to arrive at JPC promptly at 10.45am, with a packed lunch, water bottle, sun-hat and sunblock. If your primary school has a school uniform, students are required to wear this.

Please note that this is a day for the students only. Parents and Caregivers are not required to attend.

For any further queries about the day, please email the year 7 Dean, Nicky Fraser on [nicky.fraser@jpc.school.nz](mailto:nicky.fraser@jpc.school.nz)
