Thank You for Your Support!

We would like to extend a big thank you to our amazing community for supporting us with the Teacher Only Day held last Friday. This dedicated time allowed our teaching team to collaborate and focus on an important area of learning: the new Mathematics Curriculum.

Unpacking the New Mathematics Curriculum

During our Teacher Only Day, we took time to explore the new Mathematics Curriculum, focusing on understanding the Why, How, and What of its implementation.

Why? We discussed the purpose behind the new curriculum statements and the design choices made. Understanding the 'why' behind these changes helps us see the bigger picture and ensures we approach the new curriculum with clarity and intent.

How? Our team delved into how we can effectively implement this curriculum in our classrooms. We explored what methods and strategies will support our students in making the most of their mathematical learning experiences.

What? Finally, we identified the key actions we need to take as educators. This includes the deliberate acts of teaching and learning that will help our students deepen their understanding of mathematics. We also explored the professional learning opportunities available for our teaching staff to ensure continuous growth in our practice.

Exciting Resources for Math Learning: Math No Problem

A key highlight of our discussions was our choice of a Ministry of Education resource, the *Math No Problem* program. We are excited about how this resource can complement the mathematics learning at Lynmore School, offering structured, engaging, and effective ways to support our students' mathematical development.

Exploring the Use of AI in Education

As part of our commitment to innovation and staying at the forefront of educational development, we are currently exploring the use of Artificial Intelligence (AI) in education. At this stage, our focus is on how AI can support teachers in enhancing their practice, improving efficiency, and making the teaching and learning process even more engaging.

We are looking into AI tools that can assist with things like lesson planning, assessment, and even offering personalized learning opportunities for students. We are excited to see how these technologies can complement our existing methods and provide new opportunities for both teachers and students.

Regional Kapahaka: A Time to Shine

This Saturday, we are excited to see our Lynmore School Regional Kapahaka group perform on the big stage at the Rotorua Energy Events Centre. Over the past two months, our students have worked incredibly hard, and now it is their time to shine!

A huge thank you to Matua Heke, Whaea Elizah, Whaea Lisa, and our two guitarists – Taylor and Te Rauna – for their dedication, as well as to our students and their families for their unwavering support in making this happen.

This is the first time Lynmore School has entered the Te Arawa Primary Schools' Kapahaka competition, and our tamariki have demonstrated remarkable commitment, determination, and resilience in learning their full bracket to the best of their ability. We are incredibly proud of them and cannot wait to see them perform.

Additionally, our Senior and Middle School groups will also perform at the **Ahurei – Rotorua Primary Schools' Kapahaka Celebrations** on Monday evening. If you haven't yet purchased your tickets for either of these events, please contact the school office to secure your place.

Important Safety Reminder

The safety of our tamariki is paramount. It has been reported that there was a near miss in the gym car park after school this week. We would like to remind everyone that the gym car park is not a designated drop-off or pick-up point. This situation is not acceptable and, unfortunately, is a disaster waiting to happen.

Once again, we ask that you do not enter the gym car park for drop-off or pick-up purposes. We appreciate your understanding and cooperation in keeping our tamariki safe.

Looking Ahead

As we move forward with these exciting developments, we are committed to keeping our community informed and involved. We look forward to sharing our progress and continuing to collaborate to provide the best possible education for all our students.

Have an amazing weekend!

0	Senna	Courage	Senna, it has been wonderful to see the way you have started to push yourself out of your comfort zone and try new things. Your attitude to giving things a go is always positive and it has been great to see the confidence you have shown whilst participating and practising for the junior kapahaka performance. This attitude extends to your classroom learning, where you consistently push yourself to try things, even when you're not sure. Ka mau te wehi Senna! Keep being awesome!
1	Shivaay	Integrity	Shivaay, I love the way you have taken on board your home-learning this term and have grown your positive attitude towards tasks. You are working hard to celebrate achievements as well as challenge yourself so that you can be the best that you can be! I am proud of you - ka mau te wehi!
2	Georgia	Curiosity	Georgia, you consistently work hard in all areas of learning. You have been putting extra effort into your reading and writing over the term and it has been awesome to see. It is fantastic to see you actively participating in all class activities even when you feel challenged, like giving swimming a go. Keep up the fantastic work.
3	Barclay	Curiosity	Barclay, you are increasingly confident in asking a range of questions and are eager to problem solve. You are developing knowledge by being a keen explorer and asking a variety of questions, increasing your developing vocabulary. Keep applying yourself to your learning and being a curious thinker Barclay! Well done.
4	Terrance	Integrity	Terrance, you always come to school with a smile on your face ready to embrace the learning. You have put a big effort into remembering your word of the day and with daily reading all your hard work has paid off. Terrance, I am super proud of your 'can do attitude' and Hinemoa 4 has been lucky to have such a great role model.
5	Emilia	Courage	Emilia, you are growing in confidence and courage! No matter the challenge, you give it your all, using what you've already learned while attempting to apply new information and skills. You stepped out of your comfort zone dancing on stage in Term 3 and trying out for competitive athletic running. Keep up the fantastic effort—you're doing an amazing job!
6	Mikayla	Curiosity	For all the hard work you have been putting into your math recently. You are exploring new techniques and practicing old ones. Keep on going with your curiosity with all your learning Mikayla, you are doing great! We are lucky to have you as part of our Hinemoa 6 Whanau!
6	Erin	Integrity	For bringing joy and positivity to the classroom each day and demonstrating exceptional dedication and diligence in all tasks. Your enthusiasm and hard work inspire those around you!

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning.

Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics).

If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.

BOT REPORT...

Lynmore Board Strategic Review Term 4 2024

Audience: Lynmore School whānau & community

VISION STATEMENT

We strive to inspire a lifelong passion for learning. Our approach is rooted in championing teaching excellence and providing a diverse range of learning opportunities in an engaging environment. Drawing on meaningful connections to our hauora, whenua, iwi, hapū, and whānau, we empower our students to become compassionate and well-rounded individuals.

The Board believes this vision statement represents how we approach education and community engagement at Lynmore School. Since creating this statement in January 2024, we have used it as a touchstone for all our decision making. We still think this statement is fit for purpose.

Our current Strategic Goals are still fit for purpose, here is an overview of where we are at:

Build evaluative capability to build effective leaders

Effective leadership and teaching is pivotal to student success. Professional development for all staff is personalised and on-going. Every student is able to attain the highest possible standard in educational achievement. We develop PEP's (Personalised Education Plans), in collaboration with whānau, that are unique to each taura/student. We continue to track progress in reading, writing and maths and at our mid year review we analyse progress data of every taura/student and allocate additional learning support where needed.

BOT REPORT...

Māori success as Māori. Whakawhanaungatanga, Whakapapa, Wairua, Manaaki

We continue to enhance our opportunities for learning and our partnerships with whānau as well as iwi and hapū. Learning experiences about Te Ao Māori are consistent throughout the school with Te Reo Māori development through kōrero, waiata, haka and ākinga. We have had 10 staff members attend Te Ahu o Te Reo Māori courses this year to support our kura/school in furthering our knowledge of Te Reo Māori.

Wellbeing for success

The school is a physically safe place for all students and staff and takes all reasonable steps to eliminate racism, stigma, bullying, and any other forms of discrimination within the school. Celebrating diversity and inclusive practice. Focusing on learner and staff wellbeing/hauora and connection to the self and each other. We do this through our PC4L (Positive Culture for Learning) philosophy.

Educationally powerful partnerships

The school is inclusive of and caters for students with differing needs. We are guided by plans, policies and local curriculum development. High aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver educational experiences that responds to their needs, and sustains their identities, languages and cultures.

BOT REPORT...

Localised curriculum

Reflects local tikanga Māori, mātauranga Māori, and Te Ao Māori. Gives effect to Te Tiriti o Waitangi. We continue to cherish our relationship with local hapū, Te Roro o Te Rangi and Ngāti Whakaeue. We had a successful noho marae in term 1 that provided opportunities for all taura to be involved in kapa haka, waiata and learn karakia and explore local history and we continue this learning within the akomanga/classroom when at kura.

This Strategic Plan still aligns with the vision and values expressed by our school community at the end of 2023. It also allows us to incorporate new curriculum changes within our existing processes. We will continue to support our staff to use these strategic goals in their day to day decision making about our children's education.

The next review will be at the end of 2025 with a newly elected Board who will be responsible for creating a new strategic plan for 2026 - 2028.

If you have any feedback or comments, please email the Board at bot@lynmore.school.nz

Approved by the Lynmore Board, October 2024

Here's how you can do it:

- Contact the Piripoho Facebook Page to submit your nomination.
- Provide the following details:
 - Name of the tamariki
 - Gender and Age
 - Address (for delivery purposes)
 - Guardian's details (name and contact number)
 - Reason for nomination (tell us why you're nominating them—whether they've had a tough year or they have done something stand out and amazing that they should be celebrated for.).

The nomination process is quick and easy, and it's open to all tamariki in the Eastside area.

Collection Points & Pick-Up Information

We've set up several collection points around the community where you can drop off your donations. Please check out the details on our Piripoho Facebook Page for the nearest drop-off locations .

Pick-up Date:

Piripoho will collect all donations on Friday, 6th December 2024, so please make sure to have your donations in by then.

Let's Celebrate the Successes of Our Tamariki

Kete Aroha is all about celebrating the incredible tamariki in our community. Every child has something to be proud of, and this initiative gives us all the chance to recognize and uplift them.

Whether big or small, their accomplishments deserve to be celebrated, and through your generous donations, we're able to give back and show them how much they mean to us.

Thank you once again for your support. Your kindness is making a meaningful difference in the lives of our tamariki, and together, we are creating lasting memories

this Christmas.

Ngā mihi nui,

Team Piripoho

Year 6 Orientation day

This is an invitation to all current year 6 students who have received an offer of a placement and are enrolled at John Paul College in 2025. You are warmly invited to attend a fun-filled Orientation day.

When: Friday 22nd November

Where: Meet at the Edmund Rice Centre (ERC) at John Paul College

Time: 10.45am- 2.30pm

This is a great opportunity for the 2025 year 7 cohort to get together, meet new people, look around the school and have a go at some new and exciting activities that JPC has to offer.

Itinerary for the day:

- 10.45am meet in Edmund Rice Centre at JPC
- 11.00-11.20am welcome and introduction
- 11.20-11.30am morning tea (students bring their own food)
- 11.30-12.00pm tour of the school
- 12.00-12.10pm presentation by year 7-8 students
- 12.10-1.20pm into group activities
- 1.20-2.00pm lunchtime (students bring their own food)
- 2.00-2.25pm closing presentation
- 2.30pm end of the day

This will be a chance for year 6 students to meet teachers, staff and some current junior students. You may have some questions that you are eager to ask-there will be lots of people around to help answer these.

Students are required to arrive at JPC promptly at 10.45am, with a packed lunch, water bottle, sun-hat and sunblock. If your primary school has a school uniform, students are required to wear this.

Please note that this is a day for the students only. Parents and Caregivers are not required to attend.

For any further queries about the day, please email the year 7 Dean, Nicky Fraser on nicky.fraser@jpc.school.nz

PARKING AROUND SCHOOLS

Before and after school is a busy time for everyone. Parking rules help to protect our tamariki and keep them safe. Drivers who park illegally put our children at risk. Please park considerately.

When parking near a school please:

- Park 6m from from pedestrian crossings.
- Keep clear of yellow lines.
- Ensure the footpath is free for people.
- Leave 1m clearance either side of driveways.
