FROM THE PRINCIPAL ...

Kia ora whānau,

We've had a big and exciting week at school!

Cycle Safety for Seniors

Our senior students continue their cycle safety program this week, developing essential skills for safe and confident cycling.

Top School Competition

Congratulations to the students that represented Lynmore School at the Top School competition yesterday where they took out **FIRST PLACE!** The team was outstanding in the way that they worked together and the result is a reflection of their hard work leading into this event. Thanks to Mrs Mac for her work preparing our team and Mrs Filippo who supported them on the day.

Lynmore School Swimming Sports

Tomorrow is our annual Swimming Sports competition at the Rotorua Aquatic Centre. We wish all students that are competing the best of luck and we know you will demonstrate all the school values. Thanks to Mrs Mac, Whaea Catherine and Mr Cunliffe for your work behind the scenes to ensure this day is a success.

The Power of Whānau Partnerships

We celebrate the strong partnership between school and whānau in supporting our tamariki with their learning. We encourage you to ask your child about their day—what they learned, how they engage in class, and how they contribute to positive friendships. These conversations help reinforce key skills that support their success at school.

Reading at Home

Our tamariki bring home books from our school library, providing a great opportunity to strengthen their reading skills. Home reading helps them practice looking at words, sounding out letters, using prior knowledge, and giving it a go. These early reading experiences build confidence and fluency, and it's always exciting to see how quickly they progress!

Hosting Short-Term Students from China

We are expecting two groups of students in mid-to-late July and will need homestay families for a 9-night stay. If you're interested in welcoming an international student into your home, please email us at homestay@lynmore.school.nz.

Chickens - A New Home!

The chickens have been relocated between Kupe 1 and Kupe 6. This means our students (and Community) are able to watch them throughout the day. They are on a special diet so please do not feed them - if you can also reinforce to your tamariki not to climb or put fingers through the fence. Thank you for your support with this and enjoy watching our chickens!

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning. Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics). If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.

TE PĀNUI O TE POARI / THE BOARD NOTICES

Kia ora e te whānau,

Welcome to another full-on year at Lynmore School! Our Board had our first hui of the year on Monday night. We were lucky enough to have some potential new logo and brand designs presented to us. These designs are the result of many discussions between our Principal Whaea Hinei and the Senior Leadership Team who are jumping on the opportunity to update our identity as our uniform contract is coming to an end this year. We will give our feedback on the designs and then seek opinions from our community as we work towards identifying what makes Lynmore School unique and how we want our tamariki to feel during their time at our kura and long after they have departed. It's not just about the uniform, though that is definitely important, it's about how we want our space to feel and what values we want to portray. Watch this space!

In some less exciting news, due to some administrative changes at the Ministry of Education, the timeline for our Gym refurbishment has been further delayed. Another assessment is happening this week and then we will hopefully have a better idea of when the remedial work will start. We know the refurbishment will create disruption for our tamariki and for the community groups who hire this space. Rest assured, Whaea Hinei will update as soon as she knows more.

You may remember that this year is a school Board election year, and this will happen later in the year. If you are interested in school governance and have the time to dedicate to the school, you may consider putting your name forward. The Board is responsible for overseeing property, budget, health & safety and policy as well as supporting the school management to do what they do best - educating our tamariki. It does require a time commitment, especially if you are on a sub-committee, however, getting involved in a school is incredibly rewarding. There is lots of free training if you have the time and interest but not the experience. If governance doesn't excite you, the PTA is always looking for extra support. There are many ways to get involved in our school and we welcome all our whānau.

BOT NEWS...

TE PĀNUI O TE POARI CONTINUED

If you would like to discuss what being on the Board entails or would like to head along to one of our meetings to see what it's all about, feel free to contact us at bot@lynmore.school.nz. All of our updates can be found under the Board of Trustees tab on our website. We also have a tab for Policies, which are held on a website called School Docs. This website allows us to regularly review policies to ensure they are still meeting our requirements. This term we are reviewing Health, Safety & Welfare, Safety Management System, Risk Management and Healthcare. Any member of our community can review policy at any time as well, the website is very user-friendly.

Thank you to everyone who has contacted us in the past few months with feedback. We are always available via email or anonymously in the box at the office. Our next hui is on the 24th of March at 6pm in the Senior Leadership office. Anyone is welcome to attend, just RSVP to Kerrie at admin@lynmore.school.nz. You can also find all our minutes in Kerrie's office which are available to our community at any time.

And lastly, but most importantly, thank you to our amazing staff for hitting the ground running. Term one is a long one, 11 weeks! It's filled with many extra curricular activities AND a new maths curriculum. We see you all, we know how hard you are working for our tamariki, and we are so lucky to have you all.

We hope everyone enjoyed Te Matatini this week! And we hope you enjoy the last few official days of summer, stay safe and healthy. Mauri ora.
