FROM THE PRINCIPAL ...

Kia ora koutou,

It's been another busy week for our teachers and children. There is always something exciting happening in each of your children's classes, so please ask them what they are learning and how they are feeling about learning at Lynmore.

Here are a few highlights from the week:

□ RATS Duathlon

We were so proud of our tamariki who took part in the RATS Duathlon this week. With 221 students registered, it was fantastic to see so many getting involved. Thankfully, the weather played its part, and the event went ahead as planned. A special shout-out to those giving it a go for the first time—your determination and resilience when things got tough were impressive. Ka mau te wehi!

□ Hinemoa Water Safety – Te Waiariki Purea Trust

A group of 20 tamariki were lucky enough to participate in the Water Safety programme this week. They have been learning vital skills to help keep themselves safe in different water environments—whether that be the pool, river, lake, or sea. A huge thank you to *Te Waiariki Purea Trust* for making this incredible learning opportunity possible. Look for the photos further on in this newsletter

□ Hockey Skills Sessions

We've been lucky to have a hockey expert in school this week, working with our tamariki. They've been learning new skills, drilling down into the "how" of stopping and dribbling a hockey ball. It's been fantastic to see their confidence grow as they pick up new techniques.

□ Rock Band Auditions

Taylor Green is back in school this week and kicking things off for our *Lynmore Rock Band* auditions. Word is—he's been inundated with expressions of interest! It's awesome to see so many of our students keen to get involved. Watch this space for more updates.

□ Senior School to Totara Springs

Next week, over 200 of our Year 5 & 6 students will head off to Totara Springs for two nights. This camp experience is designed to ignite a growth mindset as our students take part in a range of outdoor activities. It's all about encouraging positive attitudes towards physical activity, safe risk-taking, team building, and self-reliance. We know this will be an exciting and memorable adventure for them all!

I hope you all have a great weekend, and we are looking forward to seeing all of your tamariki back at school for **Week 9**.

Screening for students...

As a school, we are working to remove as many barriers as possible that impact on student learning. Within our school, this looks like carrying out on-going screening to look at characteristics relating to various needs (including, but not limited to, dyslexic characteristics, reading, writing and math barriers, Irlens characteristics and auditory/visual characteristics). If any characteristics or barriers from these screens need to be further delved into, we will be in contact with you.
